

Military Community Programs Now Available

Funding is now available through FloridaCommerce Defense Infrastructure and Defense Reinvestment Grant programs to benefit local communities and military installations throughout the state.

Defense Infrastructure Grant

The Defense Infrastructure Grant Program (DIG) supports local infrastructure projects that make a positive impact on the military value of installations within the state by addressing encroachment, transportation and access, housing, utilities, communications, environment, and security needs. Funds are used for projects that benefit both local communities and military installations.

Defense Reinvestment Grant

The Defense Reinvestment Grant Program (DRG) provides support for community-based activities that protect existing military installations, diversify the economy of a defense-dependent community, or develop plans that facilitate the reuse of closed or realigned military installations, such developing and implementing strategies that will help communities support the mission of military installations.

→ Eligibility

Eligible applicants include defense-dependent local governments and local economic development councils representing a local government with a military installation that could be adversely affected by federal actions.

→ Apply Now

Visit the Military Community Programs webpage to download the 2023 Military Community Programs application. Applicants must submit their applications to FloridaCommerce by email no later than **Monday, November 27, 2023, to DefenseGrants@Commerce.fl.gov**
