Public Infrastructure Grant Eligibility

Pursuant to section 288.101, F.S., the Florida Job Growth Grant Fund was created to promote economic opportunity by improving public infrastructure and enhancing workforce training. Eligible governmental entities that wish to access this grant fund must submit public infrastructure proposals that:

- Promote economic recovery in specific regions of the state, economic diversification or economic enhancement in a targeted industry. (View Florida's [Targeted Industries here.](#))
- Are not for the exclusive benefit of any single company, corporation or business entity.
- Are for infrastructure that is owned by the public and is for public use or predominately benefits the public.

1. Program Requirements:

Each proposal must include the following information describing how the project satisfies eligibility requirements listed on page 1.

- A. Provide the title and a detailed description of the public infrastructure improvements.

Please see Attachment (1A) of the Infrastructure Proposal- Bithlo.

- B. Is this infrastructure owned by the public?

Yes No

- C. Is this infrastructure for public use or does it predominately benefit the public?

Yes No

- D. Will the public infrastructure improvements be for the exclusive benefit of any single company, corporation or business entity?

Yes No

- E. Provide a detailed explanation of how the public infrastructure improvements will connect to a broader economic development vision for the community and benefit additional current or future businesses.

Please see Attachment (1E) of the Infrastructure Proposal- Bithlo.

F. Provide a detailed description of, and quantitative evidence demonstrating, how the proposed public infrastructure project will promote:

- Economic recovery in specific regions of the state;
- Economic diversification; or
- Economic enhancement of a Targeted Industry (View Florida's [Targeted Industries here.](#))
 - As part of this response, describe how the project will promote specific job growth. Include a description of the number of jobs that will be retained or created, the average wages of such jobs, and in which industry(ies) the jobs will be created using the North American Industry Classification System ([NAICS](#)) codes. Where applicable, you may list specific businesses that will retain or grow jobs or make capital investment.
 - Further, include the economic impact on the community, region, or state and the associated metrics used to measure the success of the proposed project.

Please see attachment (1F) of the Infrastructure Proposal- Bithlo and the East Central Florida Regional Planning Council's memo on "The Economic Impact of District 5's Florida Job Growth Grant Fund Application".

2. Additional Information:

A. Is this project an expansion of an existing infrastructure project?

Yes No

B. Provide the proposed commencement date and number of days required to complete construction of the public infrastructure project.

If additional space is needed, attach a word document with your entire answer.

C. What is the location of the public infrastructure? (Provide the road number, if applicable.)

Please see attachment (2C) of the Infrastructure Project- Bithlo.

D. Who is responsible for maintenance and upkeep? (Indicate if more than one are applicable.)

Federal State County City Other _____

E. What permits are necessary for the public infrastructure project?

Please see attachment (2E) of the Infrastructure Project- Bithlo.

F. Detail whether required permits have been secured, and if not, detail the timeline for securing these permits. Additionally, if any required permits are local permits, will these permits be prioritized?

The necessary permits have not been secured nor is there a timeline for securing these permits. But we will actively work with the county to acquire them in a timely manner.

G. What is the future land use and zoning designation on the proposed site of the infrastructure improvements, and will the improvements conform to those uses?

The road lies beside a future land use designation of Rural and Commerical with a respective zoning designation of Rural (1 Dwelling Unit per 10 acres) and Commerical. This particular parcel, 20-22-32-4910-00-030, must be changed from C-1 to A-2 in order to allow for meat processing and manufacturing. Such change would allow for retail space as well as meat processing on the desired site.

H. Will an amendment to the local comprehensive plan or a development order be required on the site of the proposed project or on adjacent property to accommodate the infrastructure and potential current or future job creation opportunities? If yes, please detail the timeline.

Yes No

Please see attachment (2H) of the Infrastructure Project- Bithlo.

I. Is the project ready to commence upon grant fund approval and contract execution? If no, please explain.

Yes No

The desired project must go through an amendment to the comprehensive plan and will need to be approved by the Board of County Commissioners in Orange County.

J. Does this project have a local match amount?

Yes No

If yes, please describe the entity providing the match and the amount.

If additional space is needed, attach a word document with your entire answer.

K. Provide any additional information or attachments to be considered for this proposal.

The additional attachment "Bithlo Regional Economic Development Plan: Project Proposal", will include any additional information for this project.
