Public Infrastructure Grant Eligibility

Pursuant to section 228.101, F.S., the Florida Job Growth Grant Fund was created to promote economic opportunity by improving public infrastructure and enhancing workforce training. Eligible entities that wish to access this grant fund must submit public infrastructure proposals that:

- Promote economic recovery in specific regions of the state, economic diversification or economic enhancement in a targeted industry ([View Florida's Targeted Industries here](#)).
- Are not for the exclusive benefit of any single company, corporation or business entity.
- Are for infrastructure that is owned by the public and is for public use or predominately benefits the public.

1. Program Requirements:

(If additional space is needed, attach a word document with your entire answer.)

Each proposal must include the following information describing how the project satisfies eligibility requirements listed on page 1.

- A. Provide a detailed description of the public infrastructure improvements.

See Attachment A

- B. Provide location of public infrastructure, including physical address and county of project.

8600 Valencia College Lane, Orlando, Orange County, Florida, 32825

- C. Is this infrastructure currently owned by the public? Yes No

If no, is there a current option to purchase or right of way provided to the County?

- D. Provide current property owner.

Board of Trustees, Valencia College

- E. Is this infrastructure for public use or does it predominately benefit the public?

Yes No

See Attachment A

- F. Will the public infrastructure improvements be for the exclusive benefit of any single company, corporation or business entity?

Yes No

The Central Florida Regional Education and Training Center is a multidisciplinary training center housing simulation labs, tactical police and fire-rescue buildings, burn fields and buildings, a tactical village, and a search and rescue pool, as well as an indoor firearms range and an emergency operations center. Various Central Florida public safety agencies and private security companies will utilize the facility for training, which is why the project is supported by 67 different government and industry partners.

G. Provide a detailed description of, and quantitative evidence demonstrating, how the proposed public infrastructure project will promote:

- Economic recovery in specific regions of the state;
- Economic diversification; or
- Economic enhancement of a Targeted Industry ([View Florida's Targeted Industries here](#)).
 - Describe how the project will promote specific job growth. Include the number of jobs that will be retained or created, and in which industry(ies) the new net jobs will be created using the North American Industry Classification System ([NAICS](#)) codes. Where applicable, you may list specific businesses that will retain or create jobs or make capital investment.
 - Provide a detailed explanation of how the public infrastructure improvements will connect to a broader economic development vision for the community and benefit additional current or future businesses.

See Attachment A

2. Additional Information:

(If additional space is needed, attach a word document with your entire answer.)

A. Provide the proposed commencement date and number of days required to complete construction of the public infrastructure project.

Commencement date: 4 months after the award date.

Number of days to complete the project: 2 years, 730 days.

B. What permits are necessary for the public infrastructure project?

1) Saint John River Water Management District (SJRWMD) Environmental Resource Permit; and 2) Building Permit.

- C. Detail whether required permits have been secured, and if not, detail the timeline for securing these permits. Additionally, if any required permits are local permits, will these permits be prioritized?

See Attachment A

- D. What is the future land use and zoning designation on the proposed site of the infrastructure improvements, and will the improvements conform to those uses?

See Attachment A

- E. Will an amendment to the local comprehensive plan or a development order be required on the site of the proposed project or on adjacent property to accommodate the infrastructure and potential current or future job creation opportunities? If yes, please detail the timeline.

Yes No

- F. Is the project ready to commence upon grant fund approval and contract execution? If no, please explain.

Yes No

- G. Does this project have a local match amount?

Yes No

If yes, please describe the entity providing the match and the amount.

See Attachment A

- H. Provide any additional information or attachments to be considered for this proposal. Maps and other supporting documents are encouraged.

See Attachment B
