AWI Communiqué

DATE: December 10, 2009

TO: Regional Workforce Boards (RWBs) Executive Directors & Workforce Florida, Inc. (WFI)

FROM: Lois A. Scott, Program Manager, One-Stop and Program Support

SUBJECT: America's Job Seeker Challenge

PURPOSE:

To transmit Training and Employment Notice (TEN) 16-09 that provides RWBs and WFI with information regarding the America's Job Seeker Challenge designed to help jobseekers and workforce development programs identify and use online job search and career advancement tools.

BACKGROUND:

The Department of Labor (DOL) initiated the America's Job Seeker Challenge to help identify useful job-related and job search tools for job seekers. DOL is asking for the participation of the workforce system to help in the success of the Challenge. The Challenge consists of a three phase process to help identify which online tools will be successful in a jobseeker's job search. The Department of Labor's Employment and Training Administration (ETA) will host an orientation webinar on January 6, 2010 to explain the Challenge.

AUTHORITY:

United States Department of Labor (USDOL), Employment and Training Administration (ETA)
