**ADDITIONAL COMMENTS:**

In response to USDOL's Enhanced Desk Monitoring Review (EDMR) of Florida's Local Workforce Development Boards (LWDBs) program administration, Florida issued Administrative Policy 115 – Common Exit on June 9, 2021, to strengthen the state's expectations for the effective management of participant exits. This policy provided Local Workforce Development Boards (LWDBs) with the minimum requirements for the common exit of program participants for the Workforce Innovation and Opportunity Act (WIOA), Wagner-Peyser (WP) and Trade Adjustment Assistance (TAA) programs, and procedural guidance for the associated processes.

Florida also issued service code guides and provided technical assistance to LWDBs about managing disengaged participant exits. This assistance instructed LWDBs to close any open activities or to create a final contact activity in PY2020 Q4 for all disengaged participants. As a result, Florida experienced a substantial increase of participant exits in PY2020 Q4 when compared to the following and prior quarter(s).

This increase affects PY2021 Q4 through PY2022 Q3 reporting for the primary indicators of performance Entered Employment Rate 2nd Quarter After Exit and Median Earning 2nd Quarter After Exit. This increase will also affect PY2022 Q2 through PY2023 Q1 Enter Employment Rate 4th Quarter After Exit and Credential Attainment Rate.

<sup>1</sup>Applies to Title I only.

<sup>2</sup>This indicator also includes those who entered into a training or education program for the Youth program.

<sup>3</sup>Credential Rate and Measurable Skill Gains do not apply to the Wagner-Peyser program.

<sup>4</sup>Barriers to Employment are determined at the point of entry into the program.
