Public Infrastructure Grant Eligibility

Pursuant to section 288.101, F.S., the Florida Job Growth Grant Fund was created to promote economic opportunity by improving public infrastructure and enhancing workforce training. Eligible governmental entities that wish to access this grant fund must submit public infrastructure proposals that:

- Promote economic recovery in specific regions of the state, economic diversification or economic enhancement in a targeted industry. (View Florida's [Targeted Industries here.](#))
- Are not for the exclusive benefit of any single company, corporation or business entity.
- Are for infrastructure that is owned by the public and is for public use or predominately benefits the public.

1. Program Requirements:

Each proposal must include the following information describing how the project satisfies eligibility requirements listed on page 1.

- A. Provide the title and a detailed description of the public infrastructure improvements.

SW 25th Street Improvements

- B. Is this infrastructure owned by the public?

Yes No

- C. Is this infrastructure for public use or does it predominately benefit the public?

Yes No

- D. Will the public infrastructure improvements be for the exclusive benefit of any single company, corporation or business entity?

Yes No

- E. Provide a detailed explanation of how the public infrastructure improvements will connect to a broader economic development vision for the community and benefit additional current or future businesses.

This much needed transportation enhancement project will provide complete street improvement along SW 25th Street and along SW 48th Avenue. These projects consist of the total construction of approximately 3.0 miles of two transportation enhancement roadways that include storm water system upgrades concrete sidewalk; resurfacing of the roadway; bike lanes installation of traffic calming devices, installation of landscaping with irrigation system. These projects corridor benefits three cities and serves as a transportation route for a total population of 267,037.

This project will provide infrastructure improvements that will allow businesses along the corridor to expand and increase their capacity to hire more staff. In addition this roadway will also attract more businesses. Our vision is to assist business with much needed Capital improvements along this Corridor.

- F. Provide a detailed description of, and quantitative evidence demonstrating, how the proposed public infrastructure project will promote:
- Economic recovery in specific regions of the state;
 - Economic diversification; or
 - Economic enhancement of a Targeted Industry (View Florida's [Targeted Industries here.](#))
 - As part of this response, describe how the project will promote specific job growth. Include a description of the number of jobs that will be retained or created, the average wages of such jobs, and in which industry(ies) the jobs will be created using the North American Industry Classification System ([NAICS](#)) codes. Where applicable, you may list specific businesses that will retain or grow jobs or make capital investment.
 - Further, include the economic impact on the community, region, or state and the associated metrics used to measure the success of the proposed project.
-
-

2. Additional Information:

A. Is this project an expansion of an existing infrastructure project?

Yes No

B. Provide the proposed commencement date and number of days required to complete construction of the public infrastructure project.

This project will take 275 days to complete.

C. What is the location of the public infrastructure? (Provide the road number, if applicable.)

SW 25th Street from State Road 7 to SW 40th Ave

D. Who is responsible for maintenance and upkeep? (Indicate if more than one are applicable.)

Federal State County City Other _____

E. What permits are necessary for the public infrastructure project?

Broward County and City

F. Detail whether required permits have been secured, and if not, detail the timeline for securing these permits. Additionally, if any required permits are local permits, will these permits be prioritized?

No permits have been secured. All permits will be secured within 90 days of project commencement. All local permits will be prioritized for this project.

G. What is the future land use and zoning designation on the proposed site of the infrastructure improvements, and will the improvements conform to those uses?

This Street improvement runs east to west through the Single Family Residence R1C Commercial Warehouse C-1 Districts. These improvement are consistent with these land uses.

H. Will an amendment to the local comprehensive plan or a development order be required on the site of the proposed project or on adjacent property to accommodate the infrastructure and potential current or future job creation opportunities? If yes, please detail the timeline.

Yes No

I. Is the project ready to commence upon grant fund approval and contract execution? If no, please explain.

Yes No

J. Does this project have a local match amount?

Yes No

If yes, please describe the entity providing the match and the amount.

City Stormwater Enterprise Fund \$300,000.00

K. Provide any additional information or attachments to be considered for this proposal.

Additional information is attached to this application.
