MEMORANDUM

DATE: April 7, 2010

TO: Regional Workforce Board Executive Directors

FROM: Lois A. Scott, Program Manager, One Stop and Program Support

SUBJECT: Changes to the Eligible Training Provider List (ETPL) Policy

AWI is in the process of revising the State's ETPL guidance to outline local and State responsibilities regarding the ETPL. In order to help us in this process, please send a list of your ETPL contact persons and any questions you may have regarding the ETPL process to Isabelle Potts at Isabelle.Potts@flaawi.com or (850) 921-3148. Your participation will help ensure that the ETPL process and guidance meets all federal and state requirements as well as meeting your local needs.

We also want to advise you that WFI and AWI are currently working with Geographic Solutions (GeoSol) to incorporate GeoSol's Consumer Reporting Services module in the Employ Florida Marketplace (EFM). The module will consolidate duplicate provider records and merge ETPL data in a common format.

Please share this information with appropriate staff.
