**TO:** Workforce Florida Inc. and Regional Workforce Boards

**FROM:** Lois A. Scott, Program Manager, One-Stop and Program Support

**SUBJECT:** SCSEP 2005 Federal Poverty Guidelines

## **PURPOSE**

The purpose for this Communiqué is to issue revised federal poverty guidelines for the Senior Community Service Employment Program (SCSEP). These guidelines provide the basis for determining the income eligibility for SCSEP applicants and enrollees after being multiplied by 125 percent to convert poverty to "low-income" as defined at Section 516(2) of the 2000 Amendments to the Older Americans Act (OAA) and at Section 641.500 of the 2004 Senior Community Service Employment Program Final Rule. These guidelines also apply to eligibility determination made for OAA Section 502(e) projects.

## **ACTION REQUIRED**

Grantees must use the poverty and low-income guidelines published in the Federal Register (70 FR 8373) when determining SCSEP participant eligibility. The guidelines are at:
