Overall Progress Narrative:

The St. Johns County initial site visit was conducted July 16th-18th by Robin Grantham, Calvin Knowles & Jared Jakubowski with IEM. The county has issued an RFP for Environmental Consultants and proposals that are due Thursday, 7-26-2018 at 4:00 p.m. The county is preparing to issue an RFP for an Administrative Support Consultant. It is under review by their purchasing department and the timeline has not been established.

Letters have been sent to local governments, whose CDBG-DR applications passed threshold for potential funding, to inform them that they have met the threshold and that a site visit to confirm their proposed projects and application contents will take place. These first initial site visits to all nine of these local governments have been scheduled and will be completed by end of August.
