Designation of Qualified Opportunity Zones

The Community Development Financial Institutions Fund (CDFI Fund) sent us your nomination of eligible census tracts (tracts) to be designated as Qualified Opportunity Zones.

We certified your nomination and designated such tracts as Qualified Opportunity Zones under Internal Revenue Code (IRC) Section 1400Z-1(b)(1)(B). Attached is a listing of the designated tracts.

The CDFI Fund will notify the public that these tracts have been designated as Qualified Opportunity Zones. You can find this on www.cdfifund.gov by searching for "Opportunity Zones Information Resources."

If you need assistance or you believe you received this letter in error, please call the telephone number listed at the top of this letter.

Keep this letter for your records.

Sincerely,
Mary Beth Murphy
