Attachment A:

Attachment B:

Attachment C:
1. **Order of Precedence**

   In the event of any inconsistency between the terms and conditions of this Notice of Award and other requirements, the following order of precedence shall apply:

   I. Title III of the Social Security Act; Workforce Innovation and Opportunity Act of 2014, Pub. L. No. 113-128;
   II. Other applicable Federal statutes.
   IV. Implementing Regulations.
   V. Executive Orders.
   VI. OMB Circulars, including the Uniform Guidance at 2 CFR 200 and 2900.
   VII. DOL-ETA Directives.
   VIII. Terms and conditions of this award.

2. **Notice of Award**

   The funds that are provided under this Notice of Award must be expended according to all applicable Federal statutes, regulations and policies, including those of the Workforce Innovation and Opportunity Act; the applicable approved State WIOA plan including approved modifications and amendments to the plan, and any waiver plan approved under WIOA Sec. 189(i)(3) or Workforce Flexibility (Workflex) plan approved under WIOA Sec. 190; the negotiated performance levels and policies established pursuant to the Secretary’s authority under WIOA Section 116; and the applicable provisions in the appropriations act(s).

   The funds shall be obligated and allocated via a Notice of Award (NOA) grant modification. These obligations and expenditures may not exceed the amount awarded by the NOA modification unless otherwise modified by the ETA.

3. **Grant Expenditure Period**

   The performance period for FY 2019 RESEA, i.e., the period during which states should obligate their RESEA grant funds, begins on January 1, 2019, and ends on December 31, 2019. However, to allow for potential changes that might occur in states’ ability to effectively use the RESEA grant funds during that period, the deadline specified by the Grant Office on the Notice of Obligation for state obligation of these funds will be September 30, 2020. Obligations must be liquidated within 90 days (December 28, 2020) of that obligation deadline; however, an extension to the liquidation period may be requested for consideration from the Grants Officer.

4. **Approved Statement of Work**

   This project’s narrative is considered as the Approved Statement of Work. If there is any inconsistency between items specified in the project narrative and the program statute,
appropriation, regulations, Executive Orders, Uniform Guidance, OMB Circulars, and DOL-ETA directives, the order of precedence will prevail.

1. **Federal Project Officer**

The DOL/ETA Federal Project Officer (FPO) for this award is:

Name: Charles Webb

Telephone: 404-302-5357

Email: webb.charles.v@dol.gov

The FPO is not authorized to change any of the terms or conditions of the award or approve prior approval requests. Any changes to the terms or conditions or prior approvals must be approved by the Grant Officer through the use of a formally executed award modification.

2. **Indirect Cost Rate and Cost Allocation Plan**

   _X A. A current Federally approved Negotiated Indirect Cost Rate Agreement (NICRA) or current Federally approved Cost Allocation Plan (CAP) has been provided – copy attached.

   For a NICRA only:
   (1) Indirect Rate approved: See Attachment C
   (2) Type of Indirect Cost Rate: ___________ (i.e. Provisional/Predetermined/Fixed)
   (3) Allocation Distribution Base: __________
   (4) Current beginning and ending period applicable to rate: ______________

   Estimated Indirect Costs are shown on the SF-424A budget form. If a new NICRA is issued during the grant’s period of performance, it must be provided to DOL within 30 days of it being issued. Funds may be re-budgeted as necessary between direct and indirect costs as long as it is consistent with 10% Budget Flexibility term within this agreement, grant requirements and DOL regulations on prior approval. However, the total amount of the grant award will not be increased.

   Any changes to the budget that impact the Statement of Work and agreed upon outcomes or deliverables will require a request for modification and prior approval from the Grant Officer.

   ___ B. (1)______Latest NICRA or CAP approved by the Federal Cognizant Agency (FCA) is not current, or

   (2)______An indirect cost rate proposal or CAP has not been submitted for approval.

**URGENT NOTICE:** Estimated indirect costs have been specified on the SF-424A, Section B, Object Class Category “j”, however only $3,874.7 will be released to support the indirect costs in the absence of a NICRA or CAP approved by the cognizant agency. The remaining funds which have been awarded for Indirect Costs are restricted and may not be used for any purpose until the recipient provides a signed
Costs are restricted and may not be used for any purpose until the recipient provides a signed copy of the NICRA or CAP and document stating that the restriction is lifted by the Grant Officer. Upon receipt of the NICRA or CAP, the Grant Officer will issue a grant modification to the award to remove the restriction on those funds.

As the award recipient, your organization must submit an indirect cost rate proposal or CAP. These documents should be submitted to the DOL’s Division of Cost Determination (DCD) or to the recipient’s FCA. In addition, the recipient must notify the Federal Project Officer (FPO) that the documents have been submitted to the appropriate FCA. **If this proposal is not submitted within 90 days of the effective date of the award, no funds will be approved for the reimbursement of indirect costs.** Failure to submit an indirect cost proposal by the above date means the award recipient will not receive further reimbursement for indirect costs until a signed copy of the federally approved NICRA or CAP is provided and the restriction is lifted by the Grant Officer. All indirect costs paid for using grant funds must be returned through the Payment Management System. No indirect costs will be reimbursed without a NICRA or an approved CAP.

The total amount of the DOL’s financial obligation under this grant award will not be increased in order to reimburse the recipient for higher negotiated indirect costs.

**C.** The award recipient elected to exclude indirect costs from the proposed budget. Please be aware that incurred indirect costs (such as top management salaries, financial oversight, human resources, payroll, personnel, auditing costs, accounting and legal, etc. used for the general oversight and administration of the organization) must not be classified as direct costs; these types of costs are indirect costs. Only direct costs, as defined by the applicable cost principles, will be charged. According to 2 CFR 200.412, if indirect costs are misclassified as direct costs, such costs may become disallowed through an audit.

**D.** The award recipient has never received a negotiated indirect cost rate and, pursuant to the exceptions noted at 2 CFR 200.414(f) in the Cost Principles of the Uniform Guidance has elected to charge a de minimis rate of 10% of modified total direct costs (see 2 CFR 200.68 for definition of MTDC) which may be used indefinitely. Governmental departments or agencies that receive more than $35 million in direct Federal Funding must submit an indirect cost rate proposal and cannot request a de minimis rate. This methodology must be used consistently for all Federal awards until such time as you choose to negotiate for an indirect cost rate, which you may apply to do at any time. (See 2 CFR 200.414(f) for more information on use of the de minimis rate.)

If the DOL is your FCA, as a recipient, your organization must work with DOL’s DCD, which has delegated authority to negotiate and issue a NICRA or CAP on behalf of the Federal Government. More information about the DOL’s DCD is available at [http://www.dol.gov/oasam/boc/dcd/](http://www.dol.gov/oasam/boc/dcd/). This website has guidelines to develop indirect cost rates, links to the applicable cost principles, and contact information. The DCD also has Frequently Asked Questions to provide general information about the indirect cost rate approval process and due dates for provisional and final indirect cost rate proposals at [http://www.dol.gov/oasam/faqs/FAQ-dcd.htm](http://www.dol.gov/oasam/faqs/FAQ-dcd.htm).
Starting the quarter ending September 30, 2016, all grant recipients with an approved NICRA or de minimis rate must report indirect costs on their FINAL ETA-9130 Form. Please see TEGL 2-16 for additional guidance at https://wdr.doleta.gov/directives/attach/TEGL/TEGL_2-16_acc.pdf

7. **Approved Budget**

The award recipient’s budget documents are attached in this Notice of Award. The documents are: 1) the SF-424, included as Attachment A; 2) the SF-424 A, included as Attachment B; and 3) the Budget Narrative, included as Attachment C. As the award recipient, your organization must confirm that all costs are allowable before creating any expenses. Pursuant to 2 CFR 2900.1, the approval of the budget as awarded does not constitute prior approval of those items specified in 2 CFR 200 or your grant award as requiring prior approval. The Grant Officer is the only official with the authority to provide such approval.

8. **Return of Funds**

Effective October 1st, 2017, the U.S. Department of Labor, Employment & Training Administration will no longer be accepting paper checks for any type of returned funds. All return of funds are to be submitted electronically through the Payment Management System (PMS) operated by the U.S. Department of Health and Human Resources via the same method as a drawdown.

If there are questions regarding the return of funds or your organization no longer has access to PMS, contact the U.S. Department of Labor/ETA Office of Financial Administration via email at: ETA-ARteam@dol.gov for further assistance.

9. **Evaluation, Data, and Implementation**

As the award recipient, your organization must cooperate during the implementation of a third-party evaluation. This means providing DOL or its authorized contractor with the appropriate data and access to program operating personnel and participants in a timely manner.

10. **Resources and Information**

Additional resources and information to assist you are located on the ETA website at https://www.doleta.gov/grants/resources.cfm and on the Grants Application and Management collection page located on WorkforceGPS.org at https://grantsapplicationandmanagement.workforcegps.org/. These sites contain information about the Uniform Guidance, grant terms and conditions, financial reporting, indirect costs, recipient training resources, and other relevant information.

11. **Cost Limitation Restrictions**

a. **Budget Flexibility**

Federal recipients are not permitted to make transfers that would cause any funds to be used for purposes other than those consistent with this Federal program. Any budget changes that
impact the Statement of Work and agreed upon outcomes or deliverables require a request for modification and prior approval from the Grant Officer.

As directed in 2 CFR 200.308(e), for programs where the Federal share is over the simplified acquisition threshold (currently $250,000), the transfer of funds among direct cost categories or programs, functions and activities is restricted such that if the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by the Federal awarding agency, the recipient must receive prior approval from the Grant Officer. Any changes within a specific cost category on the SF424(a) do not require a grant modification unless the change results in a cumulative transfer among direct cost categories exceeding 10% of total budget as noted above. It is recommended that your assigned FPO review any within-line changes to your budget prior to implementation to ensure they do not require a modification. For programs where the Federal share is below the simplified acquisition threshold, recipients are not required to obtain the Grant Officer’s approval when transferring funds among direct cost categories. This includes transferring direct costs to the indirect cost category contained on the SF424(a).

b. Consultants
For the purposes of this award, the ETA Grant Officer has determined that fees paid to a consultant who provides services under a program shall be limited to $710 per day (representing an eight hour work day). Any fees paid in excess of this amount cannot be paid without prior approval from the Grant Officer.

c. Travel
This award waives the prior approval requirement for domestic travel as contained in 2 CFR 200.474. For domestic travel to be an allowable cost, it must be necessary, reasonable, allocable and conform to the non-Federal entities written policies and procedures. All travel must also comply with Fly America Act (49 USC 40118), which states in part that any air transportation, regardless of price, must be performed by, or under a code-sharing arrangement with, a US Flag air carrier if service provided by such carrier is available.

d. Travel – Foreign
Foreign travel is not allowable except with prior written approval. Prior written approval must be obtained from the Grant Officer through the process described in 2 CFR 200.407 and 2 CFR 2900.16. All travel, both domestic and Grant Officer-approved foreign travel, must comply with the Fly America Act (49 USC 40118), which states in part that any air transportation, regardless of price, must be performed by, or under a code-sharing arrangement with, a US Flag air carrier if service provided by such carrier is available.

e. Travel – Mileage Reimbursement Rates
Pursuant to 2 CFR 200.474(a), all award recipients must have policies and procedures in place related to travel costs; however, for reimbursement on a mileage basis, this Federal award cannot be charged more than the maximum allowable mileage reimbursement rates for Federal employees. The 2018 mileage reimbursement rates are:
Mileage rates must be checked annually at [www.gsa.gov/mileage](http://www.gsa.gov/mileage) to ensure compliance.

## 12. Administrative Requirements

### a. Assurances and Certifications

The signed SF-424, Application for Federal Assistance, has been included as an attachment to this grant. The individual that signed the SF-424 on behalf of the applicant is considered the Authorized Representative of the applicant. As stated in block 21 of the SF-424 form, the signature of the Authorized Representative on the SF-424 certifies that the organization is in compliance with the Assurances and Certifications form SF-424B (available at [http://apply07.grants.gov/apply/forms/sample/SF424B-V1.1.pdf](http://apply07.grants.gov/apply/forms/sample/SF424B-V1.1.pdf)). You do not need to submit the SF-424B form separately.

### b. Audits

Organization-wide or program-specific audits shall be performed in accordance with Subpart F, the Audit Requirements of the Uniform Guidance which apply to audits for fiscal years beginning on or after December 26, 2014. DOL awards recipients including for-profit and foreign entities that expend $750,000 or more in a year from any Federal awards must have an audit conducted for that year in accordance with the requirements contained in 2 CFR 200.501. OMB’s approved exception at 2 CFR 2900.2 expands the definition of ‘non-Federal entity’ to include for-profit entities and foreign entities. For-profit and foreign entities that are recipients or subrecipients of a DOL award must adhere to the Uniform Guidance at 2 CFR 200.

### c. Changes in Micro-purchase and Simplified Acquisition Thresholds

The Office of Management and Budget memorandum (M-18-18), issued on June 20, 2018, increased the threshold for micro-purchases under Federal financial assistance awards from $3,500 to $10,000 and the threshold for simplified acquisitions under Federal financial assistance awards from $100,000 to $250,000. Please note that these two threshold increases were effective for all Employment and Training (ETA) grantees as of October 1, 2018. All ETA grantees should carefully review the above-referenced memorandum and make any necessary updates to their financial and administrative policies, procedures and systems as a result of these threshold increases.

### d. Closeout/Final Year Requirements

At the end of the grant period, the award recipient will be required to close the grant with the ETA. As the award recipient, your organization will be notified approximately 15 days prior to the end of the period of performance that the closeout process will begin once the grant ends. The information concerning the recipient’s responsibilities at closeout may be found at 2 CFR 200.343. During the closeout process, the grantee must be able to provide documentation for
all direct and indirect costs that are incurred. For instance, if an organization is claiming indirect costs, the documentation that is required is a Negotiated Indirect Cost Rate Agreement or Cost Allocation Plan issued by the grantee’s Federal cognizant agency. Documentation for those approved to utilize a de minimis rate for indirect costs is demonstrated through the grant agreement. Not having documentation for direct or indirect costs will result in costs being disallowed and subject to debt collection. The only liquidation that can occur during closeout is the liquidation of accrued expenditures (NOT obligations) for goods and/or services received during the grant period (2 CFR 2900.15).

e. Equipment

The requirement that grant recipients obtain prior approval from the Federal Grantor agency for all purchases of equipment (as described in 2 CFR 200.439) is waived in accordance with 2 CFR 200.308(c)(4), and approval authority is delegated to the state administrator.

m. Recipient Integrity and Performance Matters

1. If the total value of your currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds $10,000,000 for any period of time during the period of performance of this Federal award, then you as the award recipient during that period of time must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

2. Proceedings about which you must report. Submit the information required about each proceeding that:
   a. Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;

   (A) It could have led to an outcome described in paragraph 2.c.I, II, or III of this award term;
   (B) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and
   (C) The requirement in this award term to disclose information about the proceeding does not conflict with applicable laws and regulations.

3. **Reporting procedures.** Enter in SAM Entity Management area (formerly CCR), or any successor system, the FAPIIS information that SAM requires about each proceeding described in paragraph 2. of this award term. You do not need to submit the information a second time under assistance awards that you received if you already provided the information through SAM (formerly CCR) because you were required to do so under Federal procurement contracts that you were awarded.

4. **Reporting frequency.** During any period of time when you are subject to the requirement in paragraph 1. of this award term, you must report FAPIIS information through SAM no less frequently than semiannually following your initial report of any proceedings for the most recent 5-year period, either to report new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report.

5. **Definitions.** For purposes of this award term:

A final financial report must be submitted no later than 90 calendar days after the grant period of performance ends. A
closeout report will be submitted during the closeout process. For additional guidance on ETA’s financial reporting, reference Training and Employment Guidance Letter (TEGL) 02-16 and https://www.doleta.gov/grants/pdf/ETA-9130_Financial_Reportin.pdf

The requirement that grant recipients obtain prior approval from the Federal Grantor agency for all purchases of equipment (as described in 2 CFR 200.439) is waived in accordance with 2 CFR 200.308(c)(4), and approval authority is delegated to the state administrator. Notwithstanding this waiver, the Grantor reserves the right to reimpose the requirement of prior approval by the Grantor, after providing advance notice to the State (Grantee).

o. Requirements for Conference and Conference Space

Conferences sponsored in whole or in part by the award recipient are allowable if the conference is necessary and reasonable for the successful performance of the Federal Award. The provisions of the Terms and Conditions of this award will be applied to any subrecipient under this award. The recipient is responsible for monitoring the subrecipient, ensuring that the Terms and Conditions are in all subaward packages and that the subrecipient comply with all applicable regulations and the terms and conditions of this award (2 CFR 200.101(b)(1)).

q. Supportive Services & Participant Support Costs

When supportive services are expressly authorized by a program statute, regulation, or FOA, this award waives the prior approval requirement for participant support costs as described in 2 CFR 200.456. g. Veterans’ Priority Provisions

The Jobs for Veterans Act (Public Law 107-288) requires recipients to provide priority service to veterans and spouses of certain veterans for the receipt of employment, training, and placement services in any job training program directly funded, in whole or in part, by the DOL. The regulations implementing this priority of service can be found at 20 CFR part 1010. In circumstances where a grant recipient must choose between two qualified candidates for a service, one of whom is a veteran or eligible spouse, the veterans priority of service provisions require that the grant recipient give the veteran or eligible spouse priority of service by first providing him or her that service. To obtain priority of service, a veteran or spouse must meet the program’s eligibility requirements. Recipients must comply with the DOL guidance on veterans’ priority. ETA’s Training and Employment Guidance Letter (TEGL) No. 10-09 (issued November 10, 2009) provides guidance on implementing priority of service for veterans and eligible spouses in all qualified job training programs funded in whole or in part by DOL. TEGL No. 10-09 is available at http://wdr.doleta.gov/directives/corr_doc.cfm?DOCN=2816.

**BASE**
(a) Total direct salaries and wages including all applicable fringe benefits.
(b) Total direct salaries and wages including all applicable fringe benefits plus flow-through funding.
TREATMENT OF FRINGE BENEFITS: Fringe benefits are specifically identified to each employee and are charged individually as direct costs. The directly claimed fringe benefits are listed in the Special Remarks Section of this Agreement.

TREATMENT OF PAID ABSENCES: Vacation, holiday, sick leave pay and other paid absences are included in salaries and wages and are claimed on grants, contracts and other agreements as part of the normal cost for salaries and wages. Separate claims for the cost of these paid absences are not made.

SECTION II: GENERAL

A. LIMITATIONS: Use of the rate(s) contained in the Agreement is subject to all statutory or administrative limitations and is applicable to a given Federal award or contract only to the extent that funds are available. Acceptance of the rate(s) agreed to herein is predicated upon the following conditions:

(1) that no costs other than those incurred by the non-Federal entity or contractor were included in its indirect cost pool as finally accepted and that such incurred costs are legal obligations of the non-Federal entity and allowable under the governing cost principles,
(2) that the same costs that have been treated as indirect costs have not been claimed as direct costs,
(3) that similar types of costs have been accorded consistent treatment, and
(4) that the information provided by the non-Federal entity or contractor which was used as a basis for acceptance of the rate(s) agreed to herein is not subsequently found to be materially inaccurate by the Federal government. In such situations, the rate(s) may be subject to renegotiation at the discretion of the Federal government.
(5) The rates cited in this Agreement are subject to audit.

B. ACCOUNTING CHANGES: This agreement is based on the accounting system purported by the non-Federal entity or contractor to be in effect during the Agreement period. Changes to the method of accounting for costs which affect the amount of reimbursement resulting from the use of this Agreement require prior approval of the Office of Cost Determination. Such changes include, but are not limited, changes in the charging of a particular type of cost from indirect to direct. Failure to obtain approval may result in cost disallowances.

C. NOTIFICATION TO FEDERAL AGENCIES: A copy of this document is to be provided by the non-Federal entity or contractor to other Federal funding sources as a means of notifying them of the Agreement contained herein.

D. PROVISIONAL-FINAL RATES AND ADJUSTMENTS: When seeking initial reimbursement of indirect costs using the provisional/rate methodology, provisional rates
must be in established within 90 days of receiving a Federal award (financial assistance, grants, cooperative agreements, and cost reimbursable contracts) requiring to account for actual costs incurred. The non-Federal entity or contractor must submit an indirect cost rate proposal within six (6) months after the end of their fiscal year to establish a final rate.

Once a final rate is negotiated, billings and charges to federal awards must be adjusted if the final rate varies from the provisional rate. If the final rate is greater than the provisional rate and there are no funds available to cover the additional indirect costs, the non-Federal entity or contractor may not recover all indirect costs. Conversely, if the final rate is less than the provisional rate, the non-Federal entity or contractor will be required to reimburse the funding agency for the excess billings.

Non-Federal entities or contractors receiving a Federal cost reimbursable contract(s) - Must adhere with FAR 52.216-7(d)(2)(v), to settle final indirect cost rates typically on annual basis:

“The contractor shall update the billings on all contracts to reflect the final settled rates and update the schedule of cumulative direct and indirect costs claimed and billed, as required in paragraph (d)(2)(iii)(I) of this sections, within 60 days after settlement of final indirect cost rates.”

In addition, the contractor shall provide to the Contracting Officer the noted cumulative costs schedule within 60 days of the execution of this agreement.

If the non-Federal entity or contractor has completed performance under any of the contracts covered by this Agreement, a final invoice or voucher must be submitted no later than 120 days from the date on which this Agreement is executed, following guidance from FAR 52.216-7(d)(5) and FAR 52.216-7(h).

Non-Federal entities receiving Federal awards (financial assistance, grants, and cooperative agreements) — Note that even if Federal awards are administratively closed prior to the settlement of final indirect cost rates, non-Federal entities still must comply with the following 2 CFR Part 200 clauses stating, in part:

§200.344 Post-closeout adjustments and continuing responsibilities

(a) The closeout of a Federal award does not affect any of the following:

(1) The right of the Federal awarding agency or pass-through entity to disallow costs and recover funds on the basis of a later audit or other review. The Federal awarding agency or pass-through entity must make any cost disallowance determination and notify the non-Federal entity within the record retention period.
(2) The obligation of the non-Federal entity to return any funds due as a result of later refunds, corrections, or other transactions including final indirect cost rate adjustments.

§200.345 Collection of amounts due

(a) Any funds paid to the non-Federal entity in excess of the amount to which the non-Federal entity is finally determined to be entitled under the terms of the Federal award constitute a debt to the Federal Government.

(b) Except where otherwise provided by statutes or regulations, the Federal awarding agency will charge interest on an overdue debt in accordance with the Federal Claims Collection Standards (31 CFR parts 900 through 999). The date from which interest is computed is not extended by litigation or the filing of any form of appeal.

E. SPECIAL REMARKS:
