All of the “Non-Entitlement” counties and municipalities listed below are eligible for Special Designation Points on their Small Cities CDBG Application for Funding. Communities that have been designated as “Entitlement Communities” by the U.S. Department of Housing and Urban Development (HUD) because they receive CDBG funding directly from HUD or they have opted to participate in an Entitlement Community’s CDBG program are not eligible to apply for Small Cities CDBG funding.

Florida Main Street Program

Florida Main Street is a technical assistance program administered by the Bureau of Historic Preservation, Division of Historical Resources, Florida Department of State, for traditional historic commercial corridors.

The Bureau conducts statewide programs aimed at identifying, evaluating, and preserving Florida's historic resources. Main Street, with its emphasis on preservation, is an effective strategy in achieving these goals in Florida's historic retail districts.

Throughout Florida there is a growing interest in improving the appearance and economic stability of historic downtown business districts. In many communities, the downtown is in a serious state of decline. Effective solutions to the problems of deteriorating building stock, loss of business, and the waning economic strength of downtown are crucial to the survival of the city itself. The following CDBG-eligible communities have been designated as Main Street Communities:

- Apalachicola,
- Arcadia,
- Brooksville,
- Chattahoochee,
- Crestview,
- Crystal River,
- DeFuniak Springs
