LOGO GUIDELINES AND INFORMATION
FOR UNIQUE ABILITIES PARTNERS

USE OF LOGO
The Unique Abilities partner logo cannot be altered in any way from the samples above. The design of the Unique Abilities partner logo exists as a seal and program’s tag line. This logo was designed in this way to allow flexibility of use across different media and collateral. All communication about the Unique Abilities program must prominently display the approved logo. Allow enough clear space to ensure its visibility and impact. No graphic elements of any kind should invade, cover or exist behind the logo. Use of any other versions of this logo is not permitted.

PLACEMENT OF LOGO
The Unique Abilities partner logo may be displayed on approved business entrance, letterhead, website and social media pages.

LOGO FORMATS
The logo is available in several formats for use in different types of media, including web and print. Once your business has successfully been approved, a letter and instructions about the Unique Abilities partner program and logo will be sent to you.

Recommended formats are for printing are: .eps | .ai
Recommended formats are for web are: .png | .jpg | .tiff
