FROM: Lois A. Scott, Program Manager, One Stop Program Support

SUBJECT: Governor's Family Literacy Initiative

PURPOSE:

To provide the Workforce Florida, Inc. (WFI) and Regional Workforce Boards (RWBs) information regarding the Governor's Family Literacy Initiative Request for Proposal (RFP).

BACKGROUND:

The Governor's Literacy Initiative grant provides funding to assist providers of current educational programs with the development of family literacy programs. Family literacy programs focus on providing literacy program activities. Family literacy programs also include parental education and parent-child together time (PACT).

The Governor's Family Literacy Initiative has published a request for proposal (RFP). Programs awarded grants to create family literacy programs will be awarded up to \$50,000. The Agency for Workforce Innovation (AWI) is providing the (RFP) through the attachment included at the end of the document in an effort to encourage appropriate providers to apply for such grants if program goals are consistent with the goals of the Governor's Family Literacy Initiatives. The attachment includes grant details, application rules, eligibility requirement information, the application deadline, the award notification process, documentation preparation requirements, scoring criteria, etc.

Responses to the request must be completed and electronically submitted via the on-line RFP process by March 31, 2006, 5:00 P.M. Eastern Standard Time (EST). Faxed or e-mailed paper applications will not be accepted.
