

WIA PROGRAM – CASE MANAGEMENT

Job Placement Details – Completed Placement

The screenshot displays the OSMIS (One Stop Management Information System) interface. The user is logged in as BETTIE W MCCLOCKTON. The navigation menu on the left includes categories like System Setup, Organization Setup, User Administration, Master Tables, Correspondence Management, Case Management, Career Plan (Planning), Activities, Manage Case, Service Provider, Reports, Register, Job Seeker Services, Employer Services, and Utilities. The main content area shows 'Job Placement Details' for a case with the title 'Manager' at 'DOLLAR GENERAL', starting on '03/11/2005'. The table below shows the placement details:

Job Title	Employer	Start Date	End Date	Hours /Wages /Days Week Hour(\$) Worked
Manager	DOLLAR GENERAL	03/11/2005		45 15.00 1

Additional information visible includes 'Record successfully saved.' and 'Page 1 of 1 1'. The browser address bar shows 'http://osmistest2.state.fl.us/Osmis/Login'.

This is an example of a completed job placement.
