EXECUTIVE DIRECTOR

MEMORANDUM

DATE: December 27, 2016

TO: Local Workforce Development Board (LWDB) Executive Directors

FROM: Lois A. Scott, Chief, Bureau of One-Stop and Program Support 

SUBJECT: Minimum Wage Increase Effective January 1, 2017

The purpose of this memorandum is to notify staff that the minimum wage in Florida will increase on January 1, 2017 to \$8.10 per hour for all hours worked. The direct wage to tipped employees will also increase to \$5.08 per hour in addition to tips.

The change in the minimum wage affects workforce programs such as the Welfare Transition and Supplemental Nutrition Assistance Employment and Training where the calculation of the number of hours customers are required to engage in work activities is based on the higher of the state or federal minimum wage. It also affects programs such as the Workforce Innovation and Opportunity Act and the Wagner-Peyser Act that need to ensure that job orders and job placements are in compliance with the minimum wage laws.

Please share this memorandum with the appropriate staff and providers in your regions. The updated minimum wage poster, required to be posted in all full-service Career Centers, is available at: http://www.floridajobs.org/docs/default-source/2017-minimum-wage/poster-fl_minwage2017.pdf?sfvrsn=2.
