Primary Contact Name: Augusta R. West

Title: Community Redevelopment Director

Mailing Address: Apalachicola City Hall

1 Avenue E, Apalachicola, FL 32320

Phone Number: 850-274-1321

Email: awest@apalachicolamainstreet.org

Public Infrastructure Grant Eligibility

Pursuant to section 288.101, F.S., the Florida Job Growth Grant Fund was created to promote economic opportunity by improving public infrastructure and enhancing workforce training. Eligible governmental entities that wish to access this grant fund must submit public infrastructure proposals that:

- Promote economic recovery in specific regions of the state, economic diversification or economic enhancement in a targeted industry. (View Florida's [Targeted Industries here.](#))
- Are not for the exclusive benefit of any single company, corporation or business entity.
- Are for infrastructure that is owned by the public and is for public use or predominately benefits the public.

1. Program Requirements:

Each proposal must include the following information describing how the project satisfies eligibility requirements listed on page 1.

- A. Provide the title and a detailed description of the public infrastructure improvements.

Apalachicola Water and Sewer Improvements and Master Planning Project

- B. Is this infrastructure owned by the public?

Yes No

- C. Is this infrastructure for public use or does it predominately benefit the public?

Yes No

- D. Will the public infrastructure improvements be for the exclusive benefit of any single company, corporation or business entity?

Yes No

- E. Provide a detailed explanation of how the public infrastructure improvements will connect to a broader economic development vision for the community and benefit additional current or future businesses.

Please see the attached document.

F. Provide a detailed description of, and quantitative evidence demonstrating, how the proposed public infrastructure project will promote:

- Economic recovery in specific regions of the state;
- Economic diversification; or
- Economic enhancement of a Targeted Industry (View Florida's [Targeted Industries here.](#))
 - As part of this response, describe how the project will promote specific job growth. Include a description of the number of jobs that will be retained or created, the average wages of such jobs, and in which industry(ies) the jobs will be created using the North American Industry Classification System ([NAICS](#)) codes. Where applicable, you may list specific businesses that will retain or grow jobs or make capital investment.
 - Further, include the economic impact on the community, region, or state and the associated metrics used to measure the success of the proposed project.

Please see the attached document.

2. Additional Information:

A. Is this project an expansion of an existing infrastructure project?

Yes No

B. Provide the proposed commencement date and number of days required to complete construction of the public infrastructure project.

Commencement is contingent upon funding. Project completion is expected to

C. What is the location of the public infrastructure? (Provide the road number, if applicable.)

The wastewater treatment facility is located on Hwy. 98 2 miles west of town. The site of

D. Who is responsible for maintenance and upkeep? (Indicate if more than one are applicable.)

Federal State County City Other _____

E. What permits are necessary for the public infrastructure project?

DEP, DOT

F. Detail whether required permits have been secured, and if not, detail the timeline for securing these permits. Additionally, if any required permits are local permits, will these permits be prioritized?

Permits have not yet been secured pending funding. The timeline for securing permits is six months. Local permits are not required.

G. What is the future land use and zoning designation on the proposed site of the infrastructure improvements, and will the improvements conform to those uses?

There are no conflicts with land use and zoning designations.

H. Will an amendment to the local comprehensive plan or a development order be required on the site of the proposed project or on adjacent property to accommodate the infrastructure and potential current or future job creation opportunities? If yes, please detail the timeline.

Yes No

I. Is the project ready to commence upon grant fund approval and contract execution? If no, please explain.

Yes No

J. Does this project have a local match amount?

Yes No

If yes, please describe the entity providing the match and the amount.

The City of Apalachicola will provide a lot where the new vacuum and pump station will be located (valued at \$100,000).

K. Provide any additional information or attachments to be considered for this proposal.

3. Program Budget

Estimated Costs and Sources of Funding: Include all applicable public infrastructure costs and other funding sources available to support the proposal.

A. Public Infrastructure Project Costs:

Construction	\$ 3,681,358		
Reconstruction	\$		
Design & Engineering	\$ 443,042		
Land Acquisition	\$		
Land Improvement	\$		
Other	\$ 187,000	Please Specify:	<u>Project administration</u>
Total Project Costs	\$ 4,187,400		

B. Other Public Infrastructure Project Funding Sources:

City/County	\$		
Private Sources	\$		
Other (grants, etc.)	\$	Please Specify:	_____
Total Other Funding	\$		
Total Amount Requested	\$		

Note: The total amount requested must equal the difference between the public infrastructure project costs in 3.A. and the other public infrastructure project funding sources in 3.B.

C. Provide a detailed budget narrative, including the timing and steps necessary to obtain the funding and any other pertinent budget-related information.

The water filtration system and master plan projects will be ready to implement pending funding. The water line replacement and wastewater treatment plant projects are as follows:

- Preliminary design and permitting: 6 months
- Final plans and specifications: 12 months
- Construction completion: 24 Months

4. Approvals and Authority

- A. If the governmental entity is awarded grant funds based on this proposal, what approvals must be obtained before it can execute a grant agreement with the Florida Department of Economic Opportunity (e.g., approval of a board, commission or council)?

No approvals are necessary.

- B. If approval of a board, commission, council or other group is needed prior to execution of an agreement between the governmental entity and the Florida Department of Economic Opportunity:

- i. Provide the schedule of upcoming meetings for the group for a period of at least six months.

N/A

- ii. State whether that group can hold special meetings, and if so, upon how many days' notice.

N/A

- C. Attach evidence that the undersigned has all necessary authority to execute this proposal on behalf of the governmental entity. This evidence may take a variety of forms, including but not limited to: a delegation of authority, citation to relevant laws or codes, policy documents, etc.

I, the undersigned, do hereby certify that I have express authority to sign this proposal on behalf of the above-described governmental entity.
