The purpose of this EFM TIP is to inform the Regional Workforce Boards (RWBs) that the following new clause has been added to the EFM Terms and Conditions of Use.

G. One-Stop Career Center staff may contact the local hiring authority on all job orders to verify the authenticity of the job order. If verification cannot be established with the local hiring entity, the job order may be removed from the system.

The additional language can be found under the “Conduct Rules” in the Terms and Conditions of Use policy. The complete Terms and Conditions of Use can be accessed [here](#). Please share this information with all staff, service providers and other interested parties who use the EFM system.
