

TEMPORARY SOLUTION STEPS TO OBTAIN UC Telephone Claimants Data for those Self Identified as Veterans But missing data in OSMIS and maintained in separate system

ACTION STEPS
1.

In August, INITIAL list for prior year sent to each RWB for staff to collect needed VETERAN data. (For the period July 2005 – June 2006 Approximately 4,000 unduplicated SSNs)

Local RWB DVOP/LVER staff contact individuals offer one stop services and enter needed veteran answers into OSMIS

2.

In October, new listing of those registering for UC via telephone for July, August and September 2006 sent to RWBs

Local RWB DVOP/LVER staff contact individuals offer one stop services and enter needed veteran answers into OSMIS

3.

In November, new listing of those registering for UC via telephone for October 2006 sent to RWBs

Local RWB DVOP/LVER staff contact individuals offer one stop services and enter needed veteran answers into OSMIS

4.

In January 2007, new listing of those registering for UC via telephone for November and December 2006 sent to RWBs

Local RWB DVOP/LVER staff contact individuals offer one stop services and enter needed veteran answers into **Employ Florida**

This process will be used until a permanent interface is implemented

ALL DATA MUST BE ENTERED INTO OSMIS FOR STEPS 1-3 BY DECEMBER 1, 2006
