## MEMORANDUM

**DATE:** June 4, 2015

**TO:** Regional Workforce Board Executive Directors

**FROM:** Lois A. Scott, Chief, Bureau of One-Stop and Program Support 

**SUBJECT:** Workforce Innovation and Opportunity Act (WIOA) - Eligible Training Provider List (ETPL) Transition Period

In the Workforce Innovation and Opportunity Act Section 122, subsection (i) states are allowed a transition period for implementing the WIOA requirements related to the identification of eligible training providers.

In consultation with CareerSource Florida, the Department of Economic Opportunity has determined that the local boards may continue to operate under the current Administrative Policy FG OSPS-77 “[Selection and Retention of Eligible Training Providers under the Workforce Investment Act of 1998 and Florida Statutes](#)” until December 31, 2015, or upon issuance of a new policy. Training providers who are already on local ETPLs will continue to be eligible through that time period.
