

DEO Communiqué

DATE: June 13, 2017
TO: Local Workforce Development Boards
FROM: Tom Clendenning, Director, Workforce Services 
SUBJECT: Adjusted Lower Living Standard Income Level (LLSIL) Wage Rates for 2017

PURPOSE

The Florida Department of Economic Opportunity publishes the Adjusted LLSIL Wage Rates each year upon converting the LLSIL to an hourly wage. The attached tables reflect the adjusted rates. The rates are adjusted for each workforce area based on the Florida Price Level Index (FPLI).

The hourly wage rates are used as baseline data in state generated performance reports such as the monthly management report (MMR) and may be used by LWDBs for other purposes such as the locally required definition for employment that leads to self-sufficiency.

Please forward questions related to this communication to WIOA@deo.myflorida.com.

ACTION REQUIRED

Share this information with staff and other interested parties responsible for determining eligibility for programs that use income as a criterion.
