

## Broadband Opportunity Program Awards – February 2024

- **Camp Mack, Frostproof and Fort Meade Area (\$1,292,481)** — to add 71.57 miles of fiber to 1,144 unserved locations within Polk County, boosting speeds beyond 1G symmetrical.
- **Charlotte County Area (\$167,187)** — to add 9.77 miles of fiber optic cable to provide 158 unserved and underserved locations within Charlotte County with symmetrical download and upload speeds of 1 GB.
- **Cities of Alachua and Gainesville (\$1,985,124)** — to add 40 miles of fiber optic cable to provide 187 unserved and underserved locations within Alachua County with symmetrical download and upload speeds of 1 GB.
- **Cities of Alachua, Brooker, Gainesville, La Crosse and Waldo (\$5,000,000)** — to add 121 miles of fiber optic cable to provide 720 unserved locations within Alachua County with symmetrical download and upload speeds of 1 GB.
- **Cities of Alachua, Gainesville, High Springs and Newberry (\$3,845,302)** — to add 78 miles of fiber optic cable to provide 463 unserved locations within Alachua County with symmetrical download and upload speeds of 1 GB.
- **Cities of Belle Glade and Loxahatchee (\$478,818)** — to add 13.86 miles of fiber optic cable to provide 281 unserved and underserved locations within Palm Beach County with symmetrical download and upload speeds of 1 GB.
- **Cities of Belleview, Lake Panasoffkee, Ocala and Summerfield (\$4,932,170)** — to add 71 miles of fiber optic cable to provide 457 unserved and underserved locations within Marion County with symmetrical download and upload speeds of 1 GB.
- **Cities of Bellevue, Marion Oaks, York, Romeo, Dunnellon, Silver Spring Shores, Citra and Unincorporated areas of Marion County (\$3,606,374)** — to add 136 miles of fiber optic cable to provide 875 unserved and underserved locations within Marion County with symmetrical download and upload speeds of 1 GB.
- **Cities of Black Hammock, Geneva and unincorporated areas of Seminole County, (\$743,705.50)** — to add 22 miles of fiber optic cable to provide 102 unserved locations within Seminole County with symmetrical download and upload speeds of 1G.
- **Cities of Bristol, Hosford, Telogia, unincorporated Areas of Bristol and Liberty County (\$3,701,698)** — to add 116 miles of fiber coverage to 15 unserved locations in Liberty County, increasing speeds to 1G symmetrical.
- **Cities of Chiefland, Cross City, Bronson, Williston, Newberry, Trenton, Bell and Archer (\$5,000,000)** — to add 353.82 miles of fiber coverage to 1,080 locations within Levy County, increasing speeds beyond 1G symmetrical.
- **Cities of Crestview and Laurel Hill (\$2,294,835)** — to add 33 miles of fiber optic cable to provide 224 unserved and underserved locations within Okaloosa County with symmetrical download and upload speeds of 1 GB.
- **Cities of Hernando, Pine Ridge and Unincorporated areas of Homosassa Springs and (\$777,619)** — to add 28 miles of fiber optic cable to provide 248 unserved and underserved locations within Citrus County with symmetrical download and upload speeds of 1 GB.
- **Cities of Homeland, Nichols, Mulberry, Fort Meade, Bowling Green, Wahneta, Frostproof and Bradley Junction (\$4,931,361)** — to add 185 miles of fiber optic cable to provide 1,389 unserved and underserved locations within Polk County with a minimum download and upload speeds of 1G symmetrical.
- **Cities of Inlet Beach and Santa Rosa Beach (\$1,772,829)** — to add 32 miles of fiber optic cable to provide 93 unserved locations within Walton County with symmetrical download and upload speeds of 1G.

- **Cities of Keystone Heights, Melrose, and Starke (\$126,494)** — to add 7.08 miles of fiber optic cable to provide 100 unserved locations within Bradford County with symmetrical download and upload speeds of 1G.
- **Cities of Kissimmee River Estates and Kissimmee River Fishing Resort Community (\$4,824,357)** — to add 14.4 miles of fiber optic cable to provide 335 unserved and underserved locations within Highlands County with symmetrical download and upload speeds of 1 GB.
- **Cities of Lacoochee, Pasadena Hills, Austin Woods, Hillcrest Preserve Sunny Acres and Unincorporated Pasco County (\$1,159,860)** — to add 39 miles of fiber optic cable to provide 273 unserved and underserved locations within Pasco County with symmetrical download and upload speeds of 1 GB.
- **Cities of Mascotte, Pittman, Seminole Springs, Pine Lakes, Clermont and Unincorporated Areas of Groveland, (\$3,562,732)** — to add 120 miles of fiber coverage to Lake County, serving 957 unserved locations with minimum speeds of 1G symmetrical.
- **Cities of Samsula-Spruce Creek, Boden and Unincorporated Volusia County (\$940,859)** — to add 25 miles of fiber optic cable to provide 76 unserved locations within Volusia County with symmetrical download and upload speeds of 1G.
- **Cities of Socrum, Lakeland, Polk City and Unincorporated areas of Polk County (\$3,932,515)** — to add 147 miles of minimum 1G symmetrical fiber coverage to 1,170 locations within Polk County.
- **City of Cottondale (\$5,000,000)** — to add 151.05 miles of fiber optic cable to provide 338 unserved and underserved locations within Jackson County with symmetrical download and upload speeds of 1 GB.
- **City of East Alford (\$2,455,663.40)** — to add 51.59 miles of fiber optic cable to provide 160 unserved locations within Jackson County with symmetrical download and upload speeds of 1G.
- **City of Ebenezer (\$4,859,765)** — to add 136 miles of fiber optic cable to provided 1,380 unserved locations within Union County with symmetrical download and upload speeds of 1 GB.
- **City of Esto (\$4,992,784)** — to add 60.1 miles of fiber optic cable to provide 338 unserved and underserved locations within Holmes County with symmetrical download and upload speeds of 1 GB.
- **City of Freeport (\$2,219,951)** — to add 32 miles of fiber optic cable to provide 154 unserved locations within Walton County with symmetrical download and upload speeds of 1G.
- **City of Lake Butler (\$352,545)** — to add 19.2 miles of fiber optic cable to provide 326 unserved and underserved locations within Union County with symmetrical download and upload speeds of 1 GB.
- **City of New River (\$4,859,765)** — to add 102 miles of fiber optic cable to provide 747 unserved locations within Union County with symmetrical download and upload speeds of 1 GB.
- **City of Olustee (\$5,000,000)** — to provide service to 171 unserved and underserved locations within Baker County with minimum download and upload speeds of 100/20 Mbps with fixed wireless.
- **City of Panama City (\$680,608.80)** — to add 14.14 miles of fiber coverage to 1,570 unserved locations within Bay County, boosting speeds to 1G symmetrical.
- **City of Roeville CDP (\$1,209,148.05)** — to add 18.51 miles of fiber optic cable to provide 62 unserved locations within Santa Rosa County with symmetrical download and upload speeds of 1G.

- **City of Santa Rosa Beach (\$2,358,421)** — to add 30 miles of fiber optic cable to provide 92 unserved locations within Walton County with symmetrical download and upload speeds of 1G.
- **City of Steinhatchee (\$5,000,000)** — to provide service to 1,611 unserved and underserved locations within Taylor County with minimum download and upload speeds of 100/20 Mbps with fixed wireless.
- **Clay County Area (\$239,138)** — to add 11.84 miles of fiber optic cable to provide 178 unserved and underserved locations within Clay County with symmetrical download and upload speeds of 1 GB.
- **Collier County Area (\$390,000.)** — to add 16.21 miles of fiber optic cable to provide 166 unserved locations within Collier County with symmetrical download and upload speeds of 1G.
- **Community of Kingswood (\$171,187)** — to add 8 miles of fiber optic cable to provide 190 unserved and underserved locations within Bay County with symmetrical download and upload speeds of 1 GB.
- **Crescent City and Unincorporated Area of Interlachen (\$363,410)** — to add 13.19 miles of fiber optic cable to provide 156 unserved and underserved locations within Putnam County with symmetrical download and upload speeds of 1 GB.
- **Lakeshore, Babson Park, Waverly and Davenport Area (\$3,810,561)** — to add 143 miles of minimum 1G symmetrical fiber coverage to 1,032 locations within Polk County.
- **Lee County Area (\$625,000)** — to add 22.8 miles of fiber optic cable to provide 270 unserved and underserved locations within Lee County with symmetrical download and upload speeds of 1 GB.
- **Leon County Area (\$3,030,593)** — to add 148.89 miles of fiber in Leon County, serving 1,681 unserved and underserved locations with minimum speeds of 1G symmetrical.
- **Leon County Area (\$3,220,351)** — to add 136.01 miles of minimum 1G symmetrical fiber coverage to 1,383 unserved locations within Leon County.
- **Miccosukee Tribe of Florida (\$5,000,000)** — to add 5.4 miles of fiber optic cable to provide 375 unserved locations within Miami-Dade County with symmetrical download and upload speeds of 1 GB.
- **Seminole Tribe of Florida, Big Cypress (\$5,000,000)** — to add 93 miles of fiber optic cable to provide 819 unserved locations within Hendry County with symmetrical download and upload speeds of 1 GB.
- **Town of McIntosh, Unincorporated Areas of Marion County Unincorporated Areas near Citra, Unincorporated Areas near Orange Lake, Cities of Kendrick and Zuber (\$653,241)** — to add 23 miles of fiber optic cable to provide 362 unserved and underserved locations within Marion County with symmetrical download and upload speeds of 1 GB.
- **Unincorporated Area of Andrew (\$483,842)** — to add 17.35 miles of fiber optic cable to provide 188 unserved and underserved locations within Nassau County with symmetrical download and upload speeds of 1 GB.
- **Unincorporated areas (Northwest) of Osceola County (\$108,465)** — to add 4 miles of fiber optic cable to provide 24 unserved locations within Osceola County with minimum download and upload speeds of 100/20 Mbps.
- **Unincorporated Areas of Holmes County (\$2,094,011)** — to add 23 miles of fiber optic cable to provide 84 unserved locations within Holmes County with symmetrical download and upload speeds of 1G.
- **Unincorporated Areas of Holmes County (\$977,446)** — to provide 7.8 miles of fiber optic cable to 41 premises within Holmes County with symmetrical download and upload speeds of 1 GB.

- **Unincorporated Areas of Holmes County (\$3,640,621.22)** — to add 41 miles of fiber optic cable to provide 260 unserved and underserved locations within Holmes County with symmetrical download and upload speeds of 1 GB.
- **Unincorporated Areas of Holmes County (\$1,609,056)** — to provide 15.85 miles of fiber optic cable to 27 premises within Holmes County with symmetrical download and upload speeds of 1 GB.
- **Unincorporated area of Holmes County (\$4,921,132.38)** — to add 48 miles of fiber optic cable to provide 306 unserved and underserved locations within Holmes County with symmetrical download and upload speeds of 1 GB.
- **Unincorporated Area of Holmes County (\$1,664,580.89)** — to add 11.3 miles of fiber optic cable to provide 43 unserved and underserved locations within Holmes County with a minimum download and upload speeds off 1G symmetrical.
- **Unincorporated Areas of Lake Mack, Forest Hills, Pine Lakes, Seminole Springs and Lake Lena (\$1,315,518)** — to add 72.74 miles of fiber to Lake County, increasing speeds for 1,105 locations beyond 1G symmetrical.
- **Wakulla Springs, Sopchoppy and Ashmore Area (\$2,439,875)** — to add 135.7 miles of minimum 1G symmetrical fiber coverage to 1,517 locations within Wakulla County.
