1. Order of Precedence

In the event of any inconsistency between the terms and conditions of this Notice of Award and other requirements, the following order of precedence shall apply:

- I. Title III of the Social Security Act; Workforce Innovation and Opportunity Act of 2014, Pub. L. No. 113-128;
- II. Other applicable Federal statutes.
- III. Continuing Appropriations Act of 2018, Pub. L. No. 115-56, and subsequent amendments.
- IV. Implementing Regulations.
- V. Executive Orders.
- VI. OMB Circulars, including the Uniform Guidance at 2 CFR 200 and 2900.
- VII. DOL-ETA Directives.
- VIII. Terms and conditions of this award.

2. Notice of Award

The funds shall be obligated and allocated via a Notice of Award (NOA) grant modification. These obligations and expenditures may not exceed the amount awarded by the NOA modification unless otherwise modified by the ETA. Funds are obligated for the amount indicated in the "Modification 0" NOA in accordance with the recipient's award amount.

Award recipients are bound by the authorizations, restrictions, and requirements contained in this agreement. Therefore, the expenditure of grant funds by the award recipient certifies that your organization has read and will comply with all the parts that are contained in the NOA.

3. Grant Expenditure Period

The performance period for FY 2018 RESEA, i.e., the period during which states should obligate their RESEA grant funds, begins on January 1, 2018, and ends on December 31, 2018. However, to allow for potential changes that might occur in states' ability to effectively use the RESEA grant funds during that period, the deadline specified by the Grant Office on the Notice of Obligation for state obligation of these funds will be September 30, 2019. Obligations must be liquidated within 90 days (December 31, 2019) of that obligation deadline; however, an extension to the liquidation period may be requested for consideration from the Grants Officer.

4. Approved Statement of Work

This project's narrative is considered as the Approved Statement of Work. If there is any inconsistency between items specified in the project narrative and the program statute, appropriation, regulations, Executive Orders, Uniform Guidance, OMB Circulars, and DOL-ETA directives, the order of precedence will prevail.

5. Federal Project Officer

The grant award is assigned to the Atlanta Regional Office – Region 3, which will assign a Federal Project Officer to your award. Please contact the Regional office for more information at RO3-RA-ATL@dol.gov or by telephone at 404-302-5300.

The FPO is not authorized to change any of the terms or conditions of the award or approve prior approval requests. Any changes to the terms or conditions or prior approvals must be approved by the Grant Officer through the use of a formally executed award modification.

6. Indirect Cost Rate and Cost Allocation Plan

___ A. A **current** Federally approved Negotiated Indirect Cost Rate Agreement (NICRA) or current Federally approved Cost Allocation Plan (CAP) has been provided – copy attached.

For a NICRA only:

(1) Indirect Rate approved: %

(2) Type of Indirect Cost Rate: _____

(3) Allocation Distribution Base: _____

(4) Current beginning and ending period applicable to rate: _____

Estimated Indirect Costs are shown on the SF-424A budget form. If a new NICRA is issued during the grant's period of performance, it must be provided to DOL within 30 days of it being issued. Funds may be re-budgeted as necessary between direct and indirect costs as long as it is consistent with 10% Budget Flexibility term within this agreement, grant requirements and DOL regulations on prior approval. However, the total amount of the grant award will not be increased.

Any changes to the budget that impact the Statement of Work and agreed upon outcomes or deliverables will require a request for modification and prior approval from the Grant Officer.

X B. (1) _____ Latest NICRA or CAP approved by the Federal Cognizant Agency (FCA) is not current, or

(2) X An indirect cost rate proposal or CAP has not been submitted for approval.

URGENT NOTICE: Estimated indirect costs have been specified on the SF-424A, Section B, Object Class Category "j", however only **\$288.00** will be released to support the indirect costs in the absence of a NICRA or CAP approved by the cognizant agency. The remaining funds which have been awarded for Indirect Costs are restricted and may not be used for any purpose until the recipient provides a signed copy of the NICRA or CAP and document stating that the restriction is lifted by the Grant Officer. Upon receipt of the NICRA or CAP, the Grant Officer will issue a grant modification to the award to remove the restriction on those funds.

As the award recipient, your organization must submit an indirect cost rate proposal or CAP. These documents should be submitted to the DOL's Division of Cost Determination (DCD) or to the recipient's FCA. In addition, the recipient must notify the Federal Project Officer (FPO) that the documents have been submitted to the appropriate FCA. **If this proposal is not submitted within 90 days of the effective date of the award, no funds will be approved for the reimbursement of indirect costs.** Failure to submit an indirect cost proposal by the above date means the award recipient will not receive further reimbursement for indirect costs until a signed copy of the federally approved NICRA or CAP is provided and the restriction is lifted by the Grant Officer. All indirect costs paid for using grant funds must be returned through the Payment Management System. No indirect costs will be reimbursed without a NICRA or an approved CAP.

The total amount of the DOL's financial obligation under this grant award **will not be** increased in order to reimburse the recipient for higher negotiated indirect costs.

- ___ C. The award recipient elected to exclude indirect costs from the proposed budget. Please be aware that incurred indirect costs (such as top management salaries, financial oversight, human resources, payroll, personnel, auditing costs, accounting and legal, etc. used for the general oversight and administration of the organization) must not be classified as direct costs; these types of costs are indirect costs. Only direct costs, as defined by the applicable cost principles, will be charged. According to 2 CFR 200.412, if indirect costs are misclassified as direct costs, such costs may become disallowed through an audit.

- ___ D. The award recipient has never received a negotiated indirect cost rate and, pursuant to the exceptions noted at 2 CFR 200.414(f) in the Cost Principles of the Uniform Guidance has elected to charge a de minimis rate of 10% of modified total direct costs (see 2 CFR 200.68 for definition of MTDC) which may be used indefinitely. Governmental departments or agencies that receive more than \$35 million in direct Federal Funding must submit an indirect cost rate proposal and cannot request a de minimis rate. This methodology must be used consistently for all Federal awards until such time as you choose to negotiate for an indirect cost rate, which you may apply to do at any time. (See 2 CFR 200.414(f) for more information on use of the de minimis rate.)

If the DOL is your FCA, as a recipient, your organization must work with DOL's DCD, which has delegated authority to negotiate and issue a NICRA or CAP on behalf of the Federal Government. More information about the DOL's DCD is available at <http://www.dol.gov/oasam/boc/dcd/>. This website has guidelines to develop indirect cost rates, links to the applicable cost principles, and contact information. The DCD also has Frequently Asked Questions to provide general information about the indirect cost rate approval process and due dates for provisional and final indirect cost rate proposals at <http://www.dol.gov/oasam/faqs/FAQ-dcd.htm>.

Starting the quarter ending September 30, 2016, all grant recipients with an approved NICRA or de minimis rate must report indirect costs on their **FINAL** ETA-9130 Form. Please see TEGL 2-16 for additional guidance at https://wdr.doleta.gov/directives/attach/TEGL/TEGL_2-16_acc.pdf.

7. Approved Budget

The award recipient's budget documents are attached in this Notice of Award. The documents are: 1) the SF-424, included as Attachment A and 2) the SF-424 A, included as Attachment B. As the award recipient, your organization must confirm that all costs are allowable before creating any expenses. Pursuant to 2 CFR 2900.1, the approval of the budget as awarded does not constitute prior approval of those items specified in 2 CFR 200 or your grant award as requiring prior approval. The Grant Officer is the only official with the authority to provide such approval.

8. Return of Funds

Effective October 1, 2017, the U.S. Department of Labor, Employment & Training Administration will no longer be accepting paper checks for any type of returned funds. All return of funds are to be submitted electronically through the Payment Management System (PMS) operated by the U.S. Department of Health and Human Resources via the same method as a drawdown.

If there are questions regarding the return of funds or your organization no longer has access to PMS, contact the U.S. Department of Labor/ETA Office of Financial Administration via email at: ETA-ARteam@dol.gov for further assistance.

9. Evaluation, Data, and Implementation

As the award recipient, your organization must cooperate during the implementation of a third-party evaluation. This means providing DOL or its authorized contractor with the appropriate data and access to program operating personnel and participants in a timely manner.

10. Resources and Information

Additional resources and information to assist you are located on the ETA website at <https://www.doleta.gov/grants/resources.cfm> and on the Grants Application and Management collection page located on WorkforceGPS.org at <https://grantsapplicationandmanagement.workforcegps.org/>. These sites contain information about the Uniform Guidance, grant terms and conditions, financial reporting, indirect costs, recipient training resources, and other relevant information.

11. Cost Limitation Restrictions

a. Administrative Costs

In FY 2018, administrative costs for the RESEA program are limited to 20 percent of the total grant award. This is a change from FY 2017. This limitation continues to align RESEA administrative costs with similar ETA grants and includes information technology (IT) costs. States that did not administer a RESEA program in FY 2017 may request up to an additional \$100,000 beyond the 20 percent administrative cost limit to support IT costs associated with program start-up and implementation, including required reporting.

Administrative costs could be direct or indirect costs. Administrative costs do not need to be identified separately from program costs on the SF- 424A Budget Information Form. However, they must be tracked through the recipient's accounting system. Recipients will be monitored for compliance to the administrative cap during the entire grant's period of performance. Any amounts that exceed this limitation at closeout will be disallowed and subject to debt collection.

RESEA grants use the definition of WIOA administrative costs at 20 CFR 683.215 excluding 683.216(C)(6). As identified above, all IT costs associated with the RESEA program are administrative costs.

b. Budget Flexibility

Federal recipients are not permitted to make transfers that would cause any funds to be used for purposes other than those consistent with this Federal program. Any budget changes that impact the Statement of Work and agreed upon outcomes or deliverables require a request for modification and prior approval from the Grant Officer.

As directed in 2 CFR 200.308(e), for programs where the Federal share is over the simplified acquisition threshold (currently \$150,000), the transfer of funds among direct cost categories or programs, functions and activities is restricted such that if the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by the Federal awarding agency, the recipient must receive prior approval from the Grant Officer. Any changes within a specific cost category on the SF424(a) do not require a grant modification unless the change results in a cumulative transfer among direct cost categories exceeding 10% of total budget as noted above. It is recommended that your assigned FPO review any within-line changes to your budget prior to implementation to ensure they do not require a modification. For programs where the Federal share is below the simplified acquisition threshold, recipients are not required to obtain the Grant Officer's approval when transferring funds among direct cost categories. This includes transferring direct costs to the indirect cost category contained on the SF424(a).

c. Consultants

For the purposes of this award, the ETA Grant Officer has determined that fees paid to a consultant who provides services under a program shall be limited to \$710 per day (representing an eight hour work day). Any fees paid in excess of of this amount cannot be paid without prior approval from the Grant Officer.

d. Travel

This award waives the prior approval requirement for domestic travel as contained in 2 CFR 200.474. For domestic travel to be an allowable cost, it must be necessary, reasonable, allocable and conform to the non-Federal entities written policies and procedures. All travel must also comply with Fly America Act (49 USC 40118), which states in part that any air transportation, regardless of price, must be performed by, or under a code-sharing arrangement with, a US Flag air carrier if service provided by such carrier is available.

e. Travel – Foreign

Foreign travel is not allowable except with prior written approval. Prior written approval must be obtained from the Grant Officer through the process described in 2 CFR 200.407 and 2 CFR 2900.16. All travel, both domestic and Grant Officer-approved foreign travel, must comply with the Fly America Act (49 USC 40118), which states in part that any air transportation, regardless of price, must be performed by, or under a code-sharing arrangement with, a US Flag air carrier if service provided by such carrier is available.

f. Travel – Mileage Reimbursement Rates

Pursuant to 2 CFR 200.474(a), all award recipients must have policies and procedures in place related to travel costs; however, for reimbursement on a mileage basis, this Federal award cannot be charged more than the maximum allowable mileage reimbursement rates for Federal employees. The 2017 mileage reimbursement rates are:

Modes of Transportation	Effective/Applicability Date	Rate per mile
Privately owned automobile	January 1, 2017	\$0.535
Privately owned motorcycle	January 1, 2017	\$0.505

Mileage rates must be checked annually at www.gsa.gov/mileage to ensure compliance.

12. Administrative Requirements

a. Assurances and Certifications

The signed SF-424, Application for Federal Assistance, has been included as an attachment to this grant. The individual that signed the SF-424 on behalf of the applicant is considered the Authorized Representative of the applicant. As stated in block 21 of the SF-424 form, the signature of the Authorized Representative on the SF-424 certifies that the organization is in compliance with the Assurances and Certifications form SF-424B (available at <http://apply07.grants.gov/apply/forms/sample/SF424B-V1.1.pdf>). **You do not need to submit the SF-424B form separately.**

b. Audits

Organization-wide or program-specific audits shall be performed in accordance with Subpart F, the Audit Requirements of the Uniform Guidance which apply to audits for fiscal years beginning on or after December 26, 2014. DOL awards recipients including for-profit and foreign entities that expend \$750,000 or more in a year from any Federal awards must have an audit conducted for that year in accordance with the requirements contained in 2 CFR 200.501. OMB's approved exception at 2 CFR 2900.2 expands the definition of 'non-Federal entity' to include for-profit entities and foreign entities. For-profit and foreign entities that are recipients or subrecipients of a DOL award must adhere to the Uniform Guidance at 2 CFR 200.

c. Closeout/Final Year Requirements

At the end of the grant period, the award recipient will be required to close the grant with the ETA. As the award recipient, your organization will be notified approximately 15 days prior to the end of the period of performance that the closeout process will begin once the grant ends. The information concerning the recipient's responsibilities at closeout may be found at 2 CFR 200.343. During the closeout process, the grantee must be able to provide documentation for all direct and indirect costs that are incurred. For instance, if an organization is claiming indirect costs, the documentation that is required is a Negotiated Indirect Cost Rate Agreement or Cost Allocation Plan issued by the grantee's Federal cognizant agency. Documentation for those approved to utilize a de minimis rate for indirect costs is demonstrated through the grant agreement. Not having documentation for direct or indirect costs will result in costs being disallowed and subject to debt collection. The only liquidation that can occur during closeout is the liquidation of accrued expenditures (NOT obligations) for goods and/or services received during the grant period (2 CFR 2900.15).

d. Creative Commons Attributions License

As required at 2 CFR 2900.13, any intellectual property developed under a competitive award process must be licensed under a Creative Commons Attribution 4.0 (CC BY) license, which allows subsequent users to copy, distribute, transmit and adapt the copyrighted work and attribute the work in the manner specified by the recipient. For general information on CC BY, please visit <http://creativecommons.org/licenses/by/4.0>. The Instructions for marking your work with CC BY can be found at http://wiki.creativecommons.org/Marking_your_work_with_a_CC_license.

e. Equipment

The requirement that grant recipients obtain prior approval from the Federal Grantor agency for all purchases of equipment (as described in 2 CFR 200.439) is waived in accordance with 2 CFR 200.308(c)(4), and approval authority is delegated to the state administrator. Notwithstanding this waiver, the Grantor reserves the right to reimpose the requirement of prior approval by the Grantor, after providing advance notice to the State (Grantee).

The Federal Government reserves a paid-up, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use for federal purposes: i) the copyright in all products developed under the grant, including a subgrant or contract under the grant or subgrant; and ii) any rights of copyright to which the recipient, subrecipient or a contractor purchases ownership under an award (including but not limited to curricula, training models, technical assistance products, and any related materials). Such uses include, but are not limited to, the right to modify and distribute such products worldwide by any means, electronically or otherwise. Federal funds may not be used to pay any royalty or license fee for use of a copyrighted work, or the cost of acquiring by purchase a copyright in a work, where the Department has a license or rights of free use in such work, although they may be used to pay costs for obtaining a copy which is limited to the developer/seller costs of copying and shipping. If revenues are generated by selling products developed with grant funds, including intellectual property, these revenues are considered as program income. Therefore, program income must be used in accordance with the provisions of this grant award and 2 CFR 200.307.

If applicable, the following needs to be on all products developed in whole or in part with grant funds:

“This workforce product was funded by a grant awarded by the U.S. Department of Labor’s Employment and Training Administration. The product was created by the recipient and does not necessarily reflect the official position of the U.S. Department of Labor. The Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. This product is copyrighted by the institution that created it.”

h. Personally Identifiable Information

Award recipients must meet the requirements in Training and Employment Guidance letter (TEGL) 39-11, Guidance on the Handling and Protection of Personally Identifiable Information (PII), found at http://wdr.doleta.gov/directives/corr_doc.cfm?DOCN=7872.

i. Pre-Award

All costs incurred by the award recipient prior to the start date specified in the award issued by the Department are ***incurred at the recipient's own expense***.

j. Procurement

The Uniform Guidance (2 CFR 200.317) require States (as defined at 2 CFR 200.90) to follow the same procurement policies and procedures it uses for non-Federal funds. The State will comply with section 200.322 Procurement of recovered *materials* and ensure that every purchase order or other contract includes any clauses required by section 200.326 Contract provisions.

k. Program Income

The Addition method as described in 2 CFR 200.307 must be used in allocating any program income generated for this grant award. Award recipients must expend all program income prior to drawing down additional funds as required at 2 CFR 200.305(b)(5) and 2 CFR 200.307(e). Any program income found remaining at the end of period of performance must be returned to the ETA. In addition, recipients must report program income on the quarterly financial report using ETA-9130 form.

l. Publicity

No funds provided under this grant shall be used for publicity or propaganda purposes, for the preparation, distribution or use of any kit, pamphlet, booklet, publication, radio, television or film presentation designed to support or defeat legislation pending before the Congress or any state or local legislature or legislative body, except in presentation to the Congress or any state or local legislature itself, or designed to support or defeat any proposed or pending regulation, administrative action, or order issued by the executive branch of any state or local government, except in presentation to the executive branch of any state or local government itself. m. Recipient Integrity and Performance Matters

1. If the total value of your currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then you as the award recipient during that period of time must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition.
