Florida Department of Children and Families  
2415 N. Monroe Street  
Suite A  
Tallahassee, Florida 32303

Dear Secretary Harris:

The Food and Nutrition Service (FNS) reviewed the Florida’s Fiscal Year (FY) 2024 Supplemental Nutrition Assistance Program (SNAP) Employment and Training (E&T) Plan originally submitted on August 15, 2023. This letter serves to approve the State’s final plan submission effective October 1, 2023, at the following spending levels:

<b>SNAP E&amp;T Funding</b>	<b>Federal</b>	<b>State</b>	<b>Total</b>
E&T 100 Percent Grant	\$6,960,052		\$6,960,052
<b>Reimbursement for Transportation and Other</b>			
- 50 Percent Federal	\$142,349	\$142,349	\$284,698
<b>Total FY 2024 Plan Budget</b>	<b>\$7,102,401</b>	<b>\$142,349</b>	<b>\$7,244,750</b>

Please note that the State agency’s 50 percent Federal reimbursement funds are approved at the target allocation level in accordance with the SNAP Employment and Training Final 100 Percent Federal Grants and 50 Percent Federal Reimbursement Targets per Fiscal Year 2024 memo, issued June 9, 2023. Consideration and approval of additional amounts will take place after October 1, 2023, and will be contingent on the availability of Federal funds.

All budget approvals are contingent upon the availability of funds. If sufficient funds are not approved by Congress, distribution will be made on a pro-rata basis. Further, funding requested via the Program and Budget Summary Statement (FNS-366A) budget process must match the approved plan amounts.

If modifications to the SNAP E&T plan and budget become necessary, please inform FNS of these changes at least 30 days prior to their implementation date. Costs charged to FNS may be disallowed if, during a management evaluation or audit, expenditures prove to be unallowable or unsubstantiated.

If you have any questions or concerns, please contact Gwen Daniels, Regional Team Lead at [Gwen.Daniels@usda.gov](mailto:Gwen.Daniels@usda.gov) or 404-562-7107.

Sincerely,

*Eugene Malveaux*
