## 2. State Plans

As a condition for receipt of funds under the Annual Funding Agreement, the Grantee agrees to comply with the approved State Quality Service Plan (SQSP) and with any other plans required for the receipt of funds.

## 3. Grant Expenditure Period

The deadlines under this section are based on the FY 2018 Congressional Budget Justification, and are subject to change upon enactment of an appropriation act containing different deadlines.

This grant agreement is effective for the period beginning October 1, 2017 and expiring December 31, 2020 to accommodate the maximum statutory life of the various fund accounts.

However, expenditures must comply with the statutory/regulatory life of each fund source (subject to availability of Federal funds):

**UI Administration** – These funds are available for obligation by the Grantee (State) beginning October 1, 2017 and shall be available for obligation by the States through December 31, 2018, and unless an extension is otherwise approved, funds are to be expended/liquidated by March 31, 2019, except that funds used for automation shall be available for State obligation through September 30, 2020, or, if the automation is being carried out through consortia of States, for State obligation through September 30, 2023, and for expenditure through September 30, 2024, or competitive grants awarded for improved operations, or reemployment and eligibility assessments shall be available for obligation by the Grantee

(State) through September 30, 2020 and unless an extension is otherwise approved, funds are to be expended/liquidated by December 31, 2020.

**Disaster Unemployment Assistance (DUA)** – Subject to the Department of Homeland Security’s Federal Emergency Management Agency (FEMA) disaster declarations and the Grantee’s application for funds, these funds under the FY 2018 Agreement are provided to the Grantee (State agency) via the Grantor (USDOL/ETA) and made effective on the FEMA disaster declaration date (but no earlier than October 1, 2017). The funds are to be expended and closed in accordance with FEMA and USDOL/ETA rules for payment and subsequent USDOL/ETA closeout (closeout actions will be completed no later than one year after receipt and acceptance of all required final reports; targeted for no later than two years from the beginning of the Fiscal Year 2018). *Note: DUA funds are technically “no-year” funds. The “Disaster Assistance Period, “during which benefits are paid, is the period “beginning with the first week following the date the major disaster began, and ending with the 26<sup>th</sup> week subsequent to the date the major disaster was declared.” 20 CFR 625.2(f). After all payment activity ends and all final reports have been submitted for a particular disaster, the funds provided will be “closed out” and any unexpended remaining funds returned to FEMA, via the Grantor. A financial closeout and final deobligation of funds is due 90 days after the end of payment activity or the end of the Disaster Assistance Period.*

**Emergency Unemployment Compensation, 2008 (EUC08)** under the Supplemental Appropriations Act, 2008 (Title IV – Emergency Unemployment Compensation) – The expenditure period for these administrative funds are without fiscal year limitations. Funds may be expended as long as costs to administer the EUC08 program are incurred, within federal appropriation law constraints.

**Federal Additional Compensation (FAC)** – The expenditure period for these administrative funds are without fiscal year limitations. Funds may be expended as long as costs to administer the FAC program are incurred, within federal appropriation law constraints.

This agreement may be terminated sooner and be subject to grant closeout procedures if all funds are fully expended at a date prior to the December 31, 2020 date. Commencement of expenditures is subject to the effective date on the issuance of Federal obligation authority (Notice of Award (NOA)) for each grant funding source account funded under this agreement.

## 4. Notice of Award

The funds that are provided under this Notice of Award must be expended according to all applicable Federal statutes, regulations and policies, including those of the Workforce Innovation and Opportunity Act ; the applicable approved State WIOA plan including approved modifications and amendments to the plan, and any waiver plan approved under WIOA Sec. 189(i)(3) or Workforce Flexibility (Workflex) plan approved under WIOA Sec. 190; the negotiated performance levels and policies established pursuant to the Secretary’s authority under WIOA Section 116; and the applicable provisions in the appropriations act(s).

The funds shall be obligated and allocated via a Notice of Award (NOA) grant modification. These obligations and expenditures may not exceed the amount awarded by the NOA modification unless otherwise modified by the ETA.

## 5. Federal Project Officer

The DOL/ETA Federal Project Officer (FPO) for this award is:

Name: Rosemary Williams-Raysor

Telephone: (404) 302-5378

E-mail: [Williams-Raysor.Rose@dol.gov](mailto:Williams-Raysor.Rose@dol.gov)

The FPO is not authorized to change any of the terms or conditions of the award or approve prior approval requests. Any changes to the terms or conditions or prior approvals must be approved by the Grant Officer through the use of a formally executed award modification process.

## 6. Approved Budget

The award recipient's budget documents are attached in this Notice of Award. The document is the SF-424, included as Attachment A. As the award recipient, your organization must confirm that all costs are allowable before creating any expenses. Pursuant to 2 CFR 2900.1, the approval of the budget as awarded does not constitute prior approval of those items specified in 2 CFR 200 or your grant award as requiring prior approval. The Grant Officer is the only official with the authority to provide such approval.

## 7. Return of Funds

Effective October 1, 2017, the U.S. Department of Labor, Employment & Training Administration will no longer be accepting paper checks for any type of returned funds. All return of funds are to be submitted electronically through the Payment Management System (PMS) operated by the U.S. Department of Health and Human Resources via the same method as a drawdown.

If there are questions regarding the return of funds or your organization no longer has access to PMS, contact the U.S. Department of Labor/ETA Office of Financial Administration via email at: [ETA-ARteam@dol.gov](mailto:ETA-ARteam@dol.gov) for further assistance.

## 8. Evaluation, Data, and Implementation

As the award recipient, your organization must cooperate during the implementation of a third-party evaluation. This means providing DOL or its authorized contractor with the appropriate data and access to program operating personnel and participants in a timely manner.

## 9. Resources and Information

Additional resources and information to assist you are located on the ETA website at <https://www.doleta.gov/grants/resources.cfm> and on the Grants Application and Management collection page located on WorkforceGPS.org at <https://grantsapplicationandmanagement.workforcegps.org/>. These sites contains information about the Uniform Guidance, grant terms and conditions, financial reporting, indirect costs, recipient training resources, and other relevant information.

## 10. Cost Limitation Restrictions

Federal recipients are not permitted to make transfers that would cause any funds to be used for purposes other than those consistent with this Federal program. Any budget changes that impact the Statement of Work and agreed upon outcomes or deliverables require a request for modification and prior approval from the Grant Officer.

As directed in 2 CFR 200.308(e), for programs where the Federal share is over the simplified acquisition threshold (currently \$150,000), the transfer of funds among direct cost categories or programs, functions and activities is restricted such that if the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by the Federal awarding agency, the recipient must receive prior approval from the Grant Officer. Any changes within a specific cost category on the SF424(a) do not require a grant modification unless the change results in a cumulative transfer among direct cost categories exceeding 10% of total budget as noted above. It is recommended that your assigned FPO review any within-line changes to your budget prior to implementation to ensure they do not require a modification. For programs where the Federal share is below the simplified acquisition threshold, recipients are not required to obtain the Grant Officer's approval when transferring funds among direct cost categories. This includes transferring direct costs to the indirect cost category contained on the SF424(a).

### a. Consultants

For the purposes of this award, the ETA Grant Officer has determined that fees paid to a consultant who provides services under a program shall be limited to \$710 per day (representing an eight hour work day). Any fees paid in excess of of this amount cannot be paid without prior approval from the Grant Officer.

## b. Travel – Foreign

Foreign travel is not allowable except with prior written approval. Prior written approval must be obtained from the Grant Officer through the process described in 2 CFR 200.407 and 2 CFR 2900.16. All travel, both domestic and Grant Officer-approved foreign travel, must comply with the Fly America Act ( 49 USC 40118), which states in part that any air transportation, regardless of price, must be performed by, or under a code-sharing arrangement with, a US Flag air carrier if service provided by such carrier is available.

## c. Travel – Mileage Reimbursement Rates

Pursuant to 2 CFR 200.474(a), all award recipients must have policies and procedures in place related to travel costs; however, for reimbursement on a mileage basis, this Federal award cannot be charged more than the maximum allowable mileage reimbursement rates for Federal employees. The 2017 mileage reimbursement rates are:

Modes of Transportation	Effective/Applicability Date	Rate per mile
Privately owned automobile	January 1, 2017	\$0.535
Privately owned motorcycle	January 1, 2017	\$0.505

Mileage rates must be checked annually at [www.gsa.gov/mileage](http://www.gsa.gov/mileage) to ensure compliance.

## 11. Administrative Requirements

### a. Assurances and Certifications

The signed SF-424, Application for Federal Assistance, has been included as an attachment to this grant. The individual that signed the SF-424 on behalf of the applicant is considered the Authorized Representative of the applicant. As stated in block 21 of the SF-424 form, the signature of the Authorized Representative on the SF-424 certifies that the organization is in compliance with the Assurances and Certifications form SF-424B (available at <http://apply07.grants.gov/apply/forms/sample/SF424B-V1.1.pdf>). You do not need to submit the SF-424B form separately.

### b. Audits

Organization-wide or program-specific audits shall be performed in accordance with Subpart F, the Audit Requirements of the Uniform Guidance which apply to audits for fiscal years beginning on or after December 26, 2014. DOL awards recipients including for-profit and foreign entities that expend \$750,000 or more in a year from any Federal awards must have an audit conducted for that year in accordance with the requirements contained in 2 CFR 200.501. OMB's approved exception at 2 CFR 2900.2 expands the definition of 'non-Federal entity' to

include for-profit entities and foreign entities. For-profit and foreign entities that are recipients or subrecipients of a DOL award must adhere to the Uniform Guidance at 2 CFR 200.

### **c. Closeout/Final Year Requirements**

At the end of the grant period, the award recipient will be required to close the grant with the ETA. As the award recipient, your organization will be notified approximately 15 days prior to the end of the period of performance that the closeout process will begin once the grant ends. The information concerning the recipient's responsibilities at closeout may be found at 2 CFR 200.343. During the closeout process, the grantee must be able to provide documentation for all direct and indirect costs that are incurred. For instance, if an organization is claiming indirect costs, the documentation that is required is a Negotiated Indirect Cost Rate Agreement or Cost Allocation Plan issued by the grantee's Federal cognizant agency. Documentation for those approved to utilize a de minimis rate for indirect costs is demonstrated through the grant agreement. Not having documentation for direct or indirect costs will result in costs being disallowed and subject to debt collection. The only liquidation that can occur during closeout is the liquidation of accrued expenditures (NOT obligations) for goods and/or services received during the grant period (2 CFR 2900.15).

### **d. Equipment**

The requirement that grant recipients obtain prior approval from the Federal Grantor agency for all purchases of equipment (as described in 2 CFR 200.439) is waived in accordance with 2 CFR 200.308(c)(4), and approval authority is delegated to the state administrator. Notwithstanding this waiver, the Grantor reserves the right to reimpose the requirement of prior approval by the Grantor, after providing advance notice to the State (Grantee).

For more information on the requirements and the allowability of costs associated with conferences, refer to 2 CFR 200.432. Recipients will be held accountable to the requirements in 2 CFR 200.432. Therefore, costs that do not comply with 2 CFR 200.432 will be questioned and may be disallowed.

#### **o. Subawards**

A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

The provisions of the Terms and Conditions of this award will be applied to any subrecipient under this award. The recipient is responsible for monitoring the subrecipient, ensuring that the Terms and Conditions are in all subaward packages and that the subrecipient comply with all applicable regulations and the terms and conditions of this award (2 CFR 200.101(b)(1)).

#### **p. Supportive Services & Participant Support Costs**

When supportive services are expressly authorized by a program statute, regulation, or FOA, this award waives the prior approval requirement for participant support costs as described in 2 CFR 200.456. Costs must still meet the basic considerations at 2 CFR 200.402 – 200.411.

Questions regarding supportive services and participant support costs should be directed to the FPO who is assigned to the grant.

Additional guidance on distinguishing between a subrecipient and a contractor (vendor) is provided in 2 CFR 200.330.
