MEMORANDUM

DATE: March 17, 2016

TO: Local Workforce Development Board (LWDB) Executive Directors

FROM: Lois A. Scott, Chief, Bureau of One Stop and Program Support

SUBJECT: Video References within Supplemental Nutrition Assistance Program (SNAP) Online Training Modules

The Department of Economic Opportunity (DEO) would like to notify you of training updates for SNAP online job search training modules. We have experienced an issue with training modules that have references to external video sources that may be questionable. The Statewide training team is reviewing all trainings for references to external videos and disabling them until this issue is resolved. All other material in the online training modules will be available and active. Only references to videos within the online modules will be temporarily disabled. SNAP Employment and Training participants will still be able to access and complete online training modules, if required.

We expect all video updates will be complete and operating at full capacity by close of business on Friday, March 18, 2016. Please direct questions related to this issue to Daniel.Ppool@deo.myflorida.com.
