

## **EMPLOY FLORIDA SERVICE CODE GUIDE**

FLORIDA DEPARTMENT OF ECONOMIC OPPORTUNITY  
107 EAST MADISON STREET  
CALDWELL BUILDING  
TALLAHASSEE, FLORIDA 32399

## **PREFACE**

The Florida Department of Economic Opportunity (DEO) developed and published a Wagner Peyser (WP) service code guide in 2013. The guide has been updated to include the Workforce Innovation and Opportunity Act (WIOA) youth, adult and dislocated worker programs. The guide is designed to help Local Workforce Development Boards (LWDBs) appropriately record services and activities available to program participants based on federal law and regulations. The types of services included in this guide are:

- Basic career services,
- Individualized career services,
- Training services, and
- Follow-up services.

Services and activities may be recorded for the various workforce programs, including Wagner Peyser, WIOA, Trade Adjustment Assistance (TAA) and Veterans' programs. Service codes are documented in Employ Florida, the state's management information system, and identified in this guide by the assignment of code numbers. Each code is distinct, and has its own title and corresponding definition. The authorizing references and minimum documentation requirements are outlined for each service code.

For the Title I Adult and Dislocated Worker programs, receipt of any individualized career service or training service makes a reportable individual a participant. For basic career services, a reportable individual becomes a participant when he or she receives a service that is neither self-service nor information-only. For Title I Youth, an individual is considered a participant after satisfying all applicable program requirements, including eligibility determination, an objective assessment, development of an individual service strategy, and receipt one of the 14 WIOA Youth program elements.

## **Appendix A: Follow-Up Services**

Follow-up services are provided to help participants maintain and/or retain their employment. These codes are recorded resource after a participant has been placed in unsubsidized employment, education, or training. Follow-up services do not extend the date of exit in performance reporting.

### **Adult and Dislocated Worker Follow-up Services**

Follow-up services must be made available, as determined appropriate by the LWDB, for a minimum of 12 months following the first day of employment, to participants who are placed in unsubsidized employment.

### **Youth Follow-up Services**

All youth participants must be offered an opportunity to receive follow-up services that align with their individual service strategies. Furthermore, follow-up services must be provided to all youth participants for a minimum of 12 months unless the participant declines to receive follow-up services or the participant cannot be located or contacted. Follow-up services may be provided beyond 12 months at the LWDB's discretion. The types of services provided and the duration of services must be determined based on the needs of the individual and therefore, the type and intensity of follow-up services may differ for each participant. Follow-up services must include more than only a contact attempted or made for securing documentation in order to report a performance outcome.
