EXECUTIVE DIRECTOR

MEMORANDUM

DATE: July 5, 2018

TO: Local Workforce Development Board (LWDB) Executive Directors

FROM: Shila A. Salem, Chief, Bureau of One-Stop and Program Support 

SUBJECT: Training - Trade Adjustment Assistance (TAA) Integrated Performance Reporting Webinar

The enactment of the Workforce Innovation and Opportunity Act (WIOA) and Trade Adjustment Assistance Reauthorization Act provided an opportunity to align indicators of performance and data reporting across multiple federally-funded employment and training programs. As a result, TAA program performance reporting has transitioned from the Trade Activity Participant Report (TAPR) to the Participant Individual Record Layout (PIRL).

To ensure LWDBs are informed of new and existing performance measures and required levels of performance under the PIRL for the TAA program, the Florida Department of Economic Opportunity is hosting the TAA Integrated Performance Reporting webinar. We are requesting the attendance of LWDB and career center management, each designated local TAA Coordinator and WIOA program managers. The webinar agenda will include:

- Trade Adjustment Assistance Data Integrity (TAADI) and program performance
- Introduction of the new performance measure that requires TAA and WIOA Title B co-enrollment
- Changes to the performance measure for the Individual Employment/Service Plan

Webinar Information:

- July 19th 10:00a.m. to 11:00a.m.
- Advance registration is required at <https://attendee.gotowebinar.com/register/4712644667441024003>.

After the registration is complete, a confirmation email will be sent containing webinar access information. The webinar will be recorded for future use and uploaded to <http://floridajobs.org/local-workforce-development-board-resources/professional-development-and-training/training-materials>.
