Good Afternoon – Thank you for your service on the CareerSource Pinellas Board of Directors. With your help the Board is continuing the mission to lead an effective, efficient and integrated business driven workforce system, providing comprehensive and responsive services to the County’s citizens and business community.

Your term is expiring on CareerSource Pinellas Board of Directors, and we’re very grateful for the leadership and guidance you have provided during a difficult time. We’ve more work to do, and we’d like to request that you re-apply to serve another term with the CareerSource Board of Directors as we continue our work.

You have probably received a very plain email from our internal system asking you to re-apply online via our Granicus database. This email contained a personalized url link for you to reapply. If you did not receive this email, please contact me at (727) 464-7425, and I’ll be happy to resend the email and help you through this process.

Some of you have been online already and completed the application. Thank you!

Again, thank you for your time and service. We hope you’ll choose to serve again.

Best,
Stacey
